1. We have been cordially received and magnificently entertained by the members of the Dauphin Way Methodist Church and their friends, under the leadership of A. Carl Adkins, the pastor, and a host of faithful committee workers. They have done everything for the pleasure, comfort and convenience of the Conference members. For all their hospitality we express deep gratitude. We are all very fortunate to come to a church that invited us, 'because they loved us,' to meet with them—and that, under very crowded and 'rationed' circumstances.

2. We have been deeply grieved over the illness of Bishop Decell and thank God for his early recovery. We thank Bishop Dobbs for visiting us and sharing with us his gracious presence. We thank, too, Dr. Henry M. Andrews, a good 'pinch hitter,' for taking much of the presiding burden off of the Bishop so as to conserve his strength for the work of the Cabinet.

3. We thank the women of the Dauphin Way Baptist Church for serving the noonday and evening meals to the members of the Conference. They did this service in a grand manner under war time conditions.

4. We thank the daily press for carrying the news of our Conference to the general public and especially 'Tip' Matthews, who has faithfully attended our Conference sessions and furnish the copy to the papers.

5. To all: organists, pianists, typists, the greatest and even the least, who have had a part in doing anything in behalf of our 1943 meeting in the Gulf City, we express our gratitude and in parting we say, "Thank you everyone and God bless you."

DIVISION VI—REPORTS

Board of Lay Activities

Achievement toward attainment of the specific objectives approved at the 1942 session of the Conference is satisfactory. We rejoice in the spirit of interest among and the actual work by the laymen throughout the Conference. Lay Leaders have manifested increased interest and have worked in a more effective way than previously. This is encouraging and points with great expectation to the future.

It is necessary that the Conference Board of Lay Activities receive a larger financial support from the Conference. Increased activity among Lay Leaders, including a two-day meeting of workers early in the calendar year, makes necessary an increased asking. The Board asks the Conference to instruct the Commission on World Service and Finance to include \$800 for the Board of Lay Activities in the Conference budget for 1943-44.

The Lay Activity objective is to enlist laymen for service in all phases of local Church work, to inspire them to do their best, and to instruct them in procedures that will be most effective. The entire program of Methodism including evangelism, education, Christian fellowship, circulation of literature, directed giving to World Service objectives, attendance upon worship services, temperance, is the concern of the laymen as it is the concern of preachers, and to forward the entire program of the Church the lay activity work is definitely directed. The only suggested additional organization is "Methodist Men" which is, in the beginning assuredly, an inner circle of unusually consecrated and generous laymen to work in harmony with the pastor in building the spiritual life, and filling calls for service in the local Church.

BOARD OF EDUCATION**Report No. 1****Department of the Local Church.**

The Conference Board is pleased to report that along all major lines there has been an advance in the work of education, as indicated by the reports of the staff officers. These officers, cooperating in the United Christian Education Advance, have endeavored to carry out the program set up by a year ago by the Conference Policy Committee.

The Staff led the Conference workers in majoring in four areas:

1. The deepening of the spiritual life of the church-membership, through improved worship services, reviving family worship, organizing classes and prayer groups.

2. A ten per cent increase in enrollment. Reports indicate that this goal was almost attained.

3. Special emphasis was placed during the early part of the year on Evangelism.

4. Missionary education was emphasized in the district institutes. There has been considerable progress in the increase in benevolent giving.

Conference staff officers have participated in three weeks of radio programs during the year.

The following gains indicate growth: an increase of more than 2000 pupils and 100 workers in Vacation Schools, 150 in leadership training enterprises, 450 in District and Sub-district institutes, 100 in local Church conferences, 35 in training credit awards, 50 in Churches observing Church School Rally Day, with an increase of approximately \$200 in offering from same.

Department of Schools and Colleges.

President Hubert Searcy, of Huntingdon College reports the largest enrollment in the history of the institution, and the type of work being done by the students is of the very best. Under the leadership of Vice-President R. R. Ellison, the debt has been reduced to less than \$50,000.

The work at Birmingham-Southern College, under the direction of President George R. Stuart, Jr., indicates cooperation and co-ordination with all the forces that are operating in this period of the war, looking toward a bright day when cessation of hostilities comes about.

The work among and with students has been done by our Director of Youth Work over the Conference, and C. E. Barnes, Director of the Wesley Foundation at Auburn.

Recommendations.

1. Special emphasis in the following areas for 1944: (1) Worship, (2) Education, (3) Evangelism, (4) Fellowship.

2. We most earnestly recommend that all of our Church School use our own literature, which is prepared by skilled and trained workmen, and is of exceptional high educational and spiritual content.

3. We recommend the observance of the following special days and week-day activities: World Service Sundays, Young People's Day, Church School Rally Day, Race Relations Day, College Student Day, Christian Family Week (preceding Mother's day), Vacation Church Schools, Christian Education Week, and Extended Sessions.

4. We pledge our cooperation in the Crusade for a New World Order, led by our Bishops, and urge all our workers to participate in Conference and District meetings and make use of the literature in promoting the Crusade in the Local Church.

5. We recommend the following appointments:

BOARD OF TEMPERANCE AND SOCIAL SERVICE

Temperance.

It is not here necessary to cite fact or statistics to this well-informed body.

Your Board urges the people called Methodists to practice and teach temperance which is the moderate use of needful things and abstinence from things harmful.

We urge that all Churches aid the Alabama Temperance Alliance by including an appropriation for this organization in its budget for the ensuing year, if possible, or the taking of an offering.

We ask collaboration with the Woman's Christian Temperance Union by urging our Methodist women to join this fine organization and to organize local units.

The legal sale of intoxicants in Alabama through state liquor stores and through the distribution and sale of wines and beer has brought about an orgy of drunkenness and intemperance which is appalling. This terrible condition has been intensified and broadened through the channels of newspaper and radio liquor and beer and wine advertising. The liquor, wine, and beer interests are bold and callous in their methods. There can be but one solution for this evil:

1. A never-ending educational campaign of our youth and the general public as to the evils and dangers always a part of the use of intoxicants; and

2. The enactment of laws prohibiting newspaper and periodical and radio advertising of the sale of intoxicants and the enactment of laws prohibiting the sale of intoxicants for beverage purposes.

To this end we call upon our constituted authorities to consummate into law the pledges they made our people. We believe they are honorable men and will carry out these pledges.

Social Service.

This Board believes that the gravest of many social problems confronting our nation are

1. Child delinquency which largely stems from the legal sale of intoxicants;

2. Roving families;
3. The post-war world; and
4. A just and durable peace.

We appeal to our people to cease theorizing and to go out and find these children, lovingly leading them into our Church Schools and Churches and Youth organizations, providing wholesome recreation and leisure activities for them. This same method will be fruitful with roving adults.

We recommend that our Churches cooperate in the coming Crusade for a New World Order.

Oscar L. Tompkins, President.
D. E. Marietta, Secretary.

BOARD OF HOSPITALS AND HOMES

We have had before us the report of the Superintendent and Board of Directors of the Methodist Children's Home, which in a condensed form is attached. We rejoice in the indications of progress being made at the Home and urge the continued loyal support of every congregation in the Conference to this deserving institution.

We nominate for re-election as directors for a term of five years: Bruce Beveridge and J. L. Daniel.

The Golden Cross.

We recommend that the Golden Cross enrollment be made in all the Churches of the Conference during the week, April 23-30, 1944. The funds to be equally divided between the Aldersgate Mission Clinic and the Hospital of the Methodist Children's Home, after necessary expenses have been paid.

We have elected James E. Tate as Conference Director of the Golden Cross and ask the Bishop to appoint him.

O. D. Langston, President.
James E. Tate, Secretary.

THE METHODIST CHILDREN'S HOME

We have just completed a building and improvement program at the Home, including extensive improvements and repairs to the main building, the cottages, Nursery, and Hospital. A new workshop and tool house have been added. A total of forty-two rooms have been furnished by various Church organizations. These improvements, at a cost of slightly more than \$30,000, have been paid for in cash and the Home is free of debt.

During the past year several new activities have been begun among the children of the Home. A Home Council has been organized to discuss Home problems. A savings plan was begun in July. A full music program is supported by money from coupons sent in. Many of the children are being instructed in music. A dozen band instruments have been donated by friends; others are needed. Scouting is promoted among the boys and girls. All the children, except those in the nursery, attend Church School and Church at the local Church. A study hall was established for all over the fourth grade. The new library is being extensively used by the boys and girls.

In order to become self-supporting the farm must be enlarged by the purchase of about fifty acres of land. The grounds need beautifying. The boys' cottages need furniture. Operating expenses are almost

double what they were five years ago. We want an institution of which the Methodist of Alabama will be proud. Every Methodist should have a share in our boys and girls. All they ask is a chance.

BOARD OF MISSIONS AND CHURCH EXTENSIONS

Missions.

For the first time in a decade, your Board is in a position to invite opportunities for constructive service. While we must continue to make some sustantation appropriations each year, our adopted policy, henceforth, is to use mission funds for the development of missionary projects, and to make them sufficient to meet worthy needs.

We commend "The Crusade for a New World Order" and urge that classes be formed in every congregation for the study of the adopted book, "The Church After the War."

We earnestly ask for the largest possible attendance on the District Institutes to be held early in December.

We request the appointment of E. A. Childs as Conference Missionary Secretary.

We submit the names of W. H. McNeal and W. C. Mackey as nominees for membership on the Boards of Managers of the General Board.

Church Extension.

The affairs of the Church Extension section are in excellent condition. For the first time in many years, we have no interest or principal of any loan past due. There is available in the loan fund thirteen thousand (\$13,000) dollars. It is urged that Churches and parsonages look to this account for funds when needed rather than to outside interests where some local Churches have suffered unpleasant consequences. We challenge the interest of any loan.

The following donations and loans have been made by the Board.

Henderson Church, \$100 donation, \$500 loan.

Mt. Sterling Church, \$50 donation.

Creola Church, \$500 loan.

Samson Parsonage, \$150 donation, \$1000 loan.

The Board has recommended a loan of \$1000 to Bascom Church from the General Board.

W. H. McNeal, President.

E. B. Paul, Secretary, Mission Section.

Adger Moore, Secretary, Church Extension Section.

BOARD OF RETIRED MINISTERS' HOMES

The people of the Conference have responded well to the call of this interest and we have had a very successful year.

Recently, Mrs. W. T. Ellisor has deeded her home, valued at \$4,500, in DeFuniak Springs, Fla., to the Board, reserving her right to occupy it during her life. In addition, Brother Chappelle has collected \$12,085.50.

As it is impractical at this time to buy or build houses, we have invested \$11,000 of our funds in Government bonds, maturing in twelve months.

We desire to call to the attention of the preachers the importance of stressing the Mother's Day collection. All possible attention should be given to this important activity at this time.

We wish to commend Brother Chappelle for the fine work he has done, and request the Bishop to appoint him to continue in this work.

COMMITTEE ON WORLD PEACE

Convinced that a new world is struggling to be born in the midst of world-wide chaos, and believing that any new order must be founded on the Christian conception of the Fatherhood of God and the Brotherhood of Man, we recommend

1. That we heartily approve the Bishop's Crusade and pledge our cooperation in carrying it forward in our Conference. The Crusade is defined as a movement that seeks (1) to develop and mobilize the sentiment of all members of the Church in favor of a righteous and lasting peace; and (2) to register that sentiment where it will be effective before decisions are made.

2. That we approve the Crusade platform which opposes National isolation and favors participation of our government with other Governments in establishing such an Association of Nations as shall guarantee justice and permanent peace.

3. That we heartily support the "Six Pillars of Peace" as declared by the Federal Council of Churches.

4. That we shall cooperate heartily in carrying out the program proposed by our Council of Bishops to make the Crusade effective through all suggested means that the world of the future may be made Christian.

W. D. Agnew, Chairman.
C. C. Turner, Jr., Secretary.

A RESOLUTION

We, the members of the Alabama Conference of The Methodist Church, now in session at Mobile, Ala., respectfully request the United States Senators and Members of the House of Representatives from the State of Alabama to support such action by the Congress looking to the active and creative cooperation of our Government with the Allied Governments to create an international organization to secure an enduring peace and safeguard the economic and political freedom of the peoples of the world.

BOARD OF CHRISTIAN LITERATURE

The times of stress and mental tension may often be turned into times of spiritual and moral development. When men come to the end of their powers, God may come on the scene and make man's failures His opportunities. Across the ages, God has spoken to the hearts of man through His Word, the Holy Bible, for the upbuilding of man's faith in God and the possibilities of man. He continues to do so.

For the enrichment of our souls and the deepening of our devotions, we recommend the reading of the Bible in the home. For information and spiritual growth we recommend the reading and study of Methodist publications, The Christian Advocate, The World Outlook, and our fine Church School literature, the splendid books of the Abingdon-Cokesbury Press. We urge our congregations to make use of The Methodist Hymnal as a means of creating a love for good music and wholesome congregational singing.

Concerning the Alabama Christian Advocate, we make the following recommendations:

- (1) That the goal of the Conference be to put the Advocate in every Methodist home.
- (2) That business men give the Advocate more advertising.
- (3) We nominate Dr. G. S. Frazer as a member of the Board of Directors for a term of five years.
- (4) We request the appointment of Dr. A. E. Middlebrooks as Editor and Business Manager.

W. C. Cowart, President.
C. H. Seibert, Secretary.

BIBLE SOCIETY BOARD

There has been a constant increase in the number of Bibles distributed to all parts of the world by The American Bible Society since its founding in 1816. More than three hundred million volumes of Scripture have been printed and distributed. In recent months the Society has distributed thousands of volumes of Scripture to war prisoners in the internment camps, and has supplied them to Army and Navy Chaplains for distribution among men in the service.

It is with thanksgiving and joy that we note that the Word of God has been a source of strength to men in all branches of the service. Men have found God as their Father and experienced peace in their hearts through the reading of the Scriptures.

Whereas the work of the American Bible Society is of recognized value to the Christian Church, be it resolved

1. That we heartily endorse the Society in its purpose of translating and circulating the Bible in many languages and among many people.

2. That ministers and Churches observe December 12 as Universal Bible Sunday, with appropriate program.

3. Realizing the need of Bible Study, we urge our pastors and workers to

- (a) Give Bible Study courses at the mid-week services.
- (b) Have a systematic Bible course in the Church School.
- (c) Encourage Bible Reading in all homes.
- (d) Have a Vacation Church School in every Church.

B. I. Huguen, President.

K. E. Scott, Secretary.

COMMISSION ON EVANGELISM

We express our gratitude to those ministers who volunteered for service under the direction of the Commission and request your cooperation in a similar program in the coming year. We desire a wider use of this service by those needing evangelistic assistance.

We request the appointment of District Secretaries of Evangelism, who with the District Superintendents, will promote specific evangelistic projects in each district.

We urge the preachers and laymen to "do the work of an evangelist" in every pastoral charge.

In cooperation with the Board of Education, the Commission sponsored a simultaneous campaign in five Churches of the Newton-Pinckard charge. Use was made of Educational, Visitation and Mass Evangelism. Profitable results were achieved.

First, that we express our high esteem for him and thank him for his untiring, able and capable administration.

Second, that we are grateful to Almighty God that he came among us with his fine spirit of brotherliness and Christian patience. He has been a constant inspiration to all of us.

COMMITTEE ON MEMORIALS

We had before us several Memorials which we are submitting to you with indicated recommendation:

Memorial No. 1

Be it resolved that the Alabama Annual Conference in session at Mobile, Ala., expresses its desire and wish to have the name of this Conference changed to THE ALABAMA-WEST FLORIDA ANNUAL CONFERENCE.

That we request the General Conference of 1944 and the Southeastern Jurisdictional Conference of 1944 to change the name of the ALABAMA ANNUAL CONFERENCE to THE ALABAMA-WEST FLORIDA ANNUAL CONFERENCE.

That when the name of this Conference is changed to THE ALABAMA-WEST FLORIDA ANNUAL CONFERENCE, the Trustees of the Conference are requested to incorporate the Annual Conference under its new name.

We recommend concurrence.

The Conference concurred in the recommendation of the Committee.

Memorial No. 2

Amend the first six lines of Paragraph 350 (1), of Section One, page 109, as follows: Insert on the fifth line immediately after "Lay Members" the words "one of whom may be a Local Preacher," and immediately following the word "elected" in the sixth line insert the words "without sessional or ad interim nomination," so that the lines which now read:

The General Conference shall be composed of one Ministerial Member for every seventy Ministerial Members of each Annual Conference and one additional member for a major fraction thereof, and an equal number of Lay Members, all of whom shall be elected by ballot and by a majority vote; when so amended shall read:

The General Conference shall be composed of one Ministerial Member for every seventy Ministerial Members of each Annual Conference and one additional member for a major fraction thereof, and an equal number of Lay Members, **one of whom may be a Local Preacher**, all of whom shall be elected, **without sessional or ad interim nomination**, by ballot and by a majority vote.

We recommend concurrence.

The Conference concurred in the recommendation of the Committee.

Memorial No. 3

The Alabama Conference memorializes the General Conference of 1944 to repeal section 3 of Paragraph 351 of the Discipline of 1940;

First, because it seeks to amend Paragraph 23 of the Constitution by a recommendation which could be passed by a majority vote of that Conference.

Second, because it invades the rights of the Annual Conferences to determine the manner in which they shall elect their delegates. Paragraph 22 of the Constitution makes the Annual Conference the basic body in the Church and under this paragraph they have the power and right to determine the manner in which they will elect their delegates to the General, Jurisdictional, or Central Conferences.

We recommend concurrence.

The Conference concurred in the recommendation of the Committee.

Memorial No. 4

Whereas, there are a great many Church members who, when they move from one place to another, for various frivolous reasons, refuse to move their membership, and that many times people who have been very active members become careless and indifferent, not being connected with a Church where they now reside, therefore be it resolved that we memorialize the General Conference to enact a provision whereby when a member of the Methodist Church moves from one place to another they automatically become members of the Church at the new place.

We recommend Non-concurrence.

The Conference concurred in the recommendation of the Committee.

Memorial No. 5

Whereas, when a Bishop retires from active service he receives an allowance of \$2700 per year, and in the case of his death, his widow receives \$1500 per year, and no preacher in the Alabama Conference receives over \$350 per year, therefore be it resolved that we memorialize the General Conference to pass a law that when a Bishop retires his name be listed with the retired preachers of the Conference of which he was a member when he was elected a Bishop, and that his annual allowance be computed on the same basis as the other members of that Conference; and that in case of a Bishop's death, should he leave a widow, that the like provision be made in her case.

We recommend Non-concurrence.

The Conference concurred in the recommendation of the Committee.

Memorial No. 6

Resolved that this Annual Conference memorialize the General Conference to so change the regulations of a minister performing the marriage ceremony for divorced parties that the privilege be forbidden except in case of innocent parties who have been divorced for the one scriptural cause.

We recommend Non-concurrence.

The Conference concurred in the recommendation of the Committee.

J. T. Ellison, Chairman.

Mrs. Arthur Heustess, Secretary.

COMMITTEE ON DISTRICT CONFERENCE RECORDS

The records of the Demopolis, Montgomery, Selma and Troy Districts were before us for examination. We found them in good order and well kept, but recommend that the Selma District attach all their records permanently in their book. The records for Pensacola, Mobile and Dothan Districts were not before us.

U. L. Martin, Chairman.

M. K. Vickers, Secretary.

COMMISSION ON WORLD SERVICE AND FINANCE

The Commission recommends that this Conference request the Secretary to have Tables No. 1 and 2 of the Pastors' reports printed by Charges and Table No. 3 printed by Churches.

That there be a reduction of twenty-five per cent (25%) in the number of Journals of the Conference printed for distribution, effective at the session of 1944.

That the Pastors continue to make their reports on all three tables by Churches, although Tables No. 1 and 2 will not be printed as such.

F. G. Hastings, President.

H. W. Williamson, Secretary.

DIVISION VII—MEMOIRS

REV. GEORGE WILLIAM JONES

George William Jones was born August 30, 1863 in Santa Rosa County, Florida, near what is now Pollard, Alabama. His father was the Reverend L. Alpheus Jones, who for nearly half a century as a local preacher of the Methodist Episcopal Church, South, preached in the vicinity of Pensacola. His consecrated mother was before her marriage, Miss Delilah Morgan.

Of his formal education he wrote, "I finished what was considered High School in Escambia (county) Florida." But he did not let this stop his education. By diligent study at home he trained and developed his mind until he was "a workman that needed not to be ashamed." Few would have known that his formal education was as limited as he said.

He made confession of his faith in Christ by uniting with the Methodist Episcopal Church, South, at Myrtle Grove, Florida, (near Pensacola) in August 1880, under the ministry of Rev. Robert Smilie. Four years later he dedicated himself to the ministry, and was licensed to preach at a quarterly conference on the Warrington (Fla.) circuit held in November 1884, Rev. George F. Fisher being the pastor and Dr. John S. Frazer the presiding elder.

In December of the same year he was admitted on trial in the Alabama Conference, the session being held at Opelika. He passed his studies promptly and two years later was received into full connection at the conference held in Montgomery.

He was fortunate in his marriage to Miss Bettie Martin, of Girard, Ala., on April 18, 1888. Her consecration to the Kingdom's interest brightened his pathway for more than half a century as she shared his

sorrows and joys, his sacrifices and prosperities as a true soldier of the Lord. God blessed their home with three daughters and one son. The oldest, Hortense Claire, was within a few months of graduation from college when she took sick and on July 27, 1912, at the age of 23, was called to the home above. The other children survive him. They are Mrs. Lurline Gay, of Louisville, Ala., Mrs. Floy (J. D.) McEachern, of Brundidge, Ala., and Louis R. Jones, of Marianna, Florida. It is the writer's understanding that there are a brother and a sister living near Pensacola, Florida.

Brother Jones retired from the active ministry at the conference of 1929 meeting in Montgomery, after 45 years of faithful and sacrificial service. He and his wife moved to Louisville, Ala., where he had been pastor when his daughter died, and were joined by their widowed daughter, Mrs. Lurline Gay. There they built and established a home which was the joy of his declining days. Here he received his friends in the evening of his life; here with his dear companion he celebrated the golden anniversary of their wedding; here he received the summons to answer the roll call of the conference above; and here his widow awaits her invitation to join him once again. He was called from this world on the 5th of January, 1943. His District Superintendent, Dr. W. M. Curtis, conducted the funeral services with the assistance of a number of other ministers of the conference. His body lies at rest in the cemetery by the side of the church at Louisville.

I came to know Brother Jones intimately when I was assigned as pastor of Louisville in November 1934. I found him still extremely interested in the work of the church. He was zealous for the Kingdom of God to move forward. And was always willing to do just as much in its promotion as his strength would permit. He was a great inspiration and help to me in my ministry there. There was no doubt as to where he stood on any question because he was outspoken in his convictions. This lead some to think him critical, but I came to find that such was always meant to help and build, never to injure or disrupt.

He was regarded as a good preacher. His sermons were practical and laying a foundation on which successful Christian living could be built.

He had the happy faculty of getting others to share their part in the responsibilities of the work of the Kingdom, though he never shirked his own in doing it. His love for children and young people won their respect and friendship.

He was devoted and helpful husband. With his wife he made a home into which it was a pleasure to visit. Now it knows him no more in the flesh but his spirit still hovers there to bless all who pass that way.

"Now the laborer's task is o'er;
Now the battle day is past;
Now upon the farther shore,
Lands the voyager at last.
Father, in Thy gracious keeping
Leave me now Thy servant sleeping."
—HENRY L. TATE.

REV. DAVID FRANCIS ELLISOR

David Francis Ellisor was born at Pine Level, Alabama, Feb. 6, 1871. His parents were very devout people, William and Sarah Catherine Ellisor. His father died while Frank was quite young; but his mother lived many years after the death of her husband. The writer had the privilege of being the pastor of his mother, and in my judgment no better woman ever lived.

Frank's educational advantages were good and he made excellent use of them. Receiving early schooling in the public schools of Pine Level, which were very fine, and then in the Pensacola District High School, and later attending the old Southern University through his Junior year.

Frank was converted early in life and joined the church under the ministry of Rev. B. L. Selman, his pastor.

He was licensed to preach in August 1890; but taught in the public schools of Alabama for four years before being admitted into the Alabama Conference on Trial at the Conference session held in Brewton, December 1894.

His first wife was Fidelia Hood, daughter of Rev. A. Hood. One daughter was born of this marriage, Mattie Catherine, now Mrs. S. R. Cook, of Chipley, Fla.

His second marriage was to Sue Ethel McConnell of DeFuniak Springs, while he was pastor of the Church there. To them were born two children, Ethel Agnes, now Mrs. H. R. Botter, and Thomas McConnell, both of Mobile, Ala.

Perhaps he served as many different charges as any other man in the history of the Alabama Conference. The frequent changes were by no means at his request or that of his people; but existing conditions seem to have changed him frequently. This he regretted very much near the end of his ministerial career and he often spoke to the writer about it.

His was a faithful ministry; every year shows members received on profession of faith; some years larger numbers were received. The Journals of the Alabama Conference show how fruitful his ministry was, and that no claims or obligations made on his charges were ever neglected.

The above are but cold facts and figures; but they are not impersonal items when they record the earthly pilgrimage of a beloved companion. They are the outlines of hallowed memories that become all but sacred with the passing years.

Frank Ellisor, as he was known to us, was very evangelical in his preaching and was never happier than when in revival services. He had unusual gifts as a preacher for revival services.

His was a radiant spirit; he was not given to despondency, but bright and happy, getting the best out of life and giving the best that he had back into life. He seemed to have lived with a Gentlemen's Agreement with Life.

The writer enjoyed many happy days of association with Frank Ellisor. He was a gifted conversationalist, a most pleasant entertainer. He was free from grudges and resentments against the men whom he knew, and especially the members of the Conference. He was as free from Conference politics and cliques as any man who lived among us. He was a faithful friend and most appreciative of his friends, neither did he seek to use his friends for selfish purposes.

As one who knew him long and intimately, I feel deeply the loss of his companionship, his counsel, his kindly unselfish spirit, since he has passed from among us.

In memory's eye we see a goodly number of those whom we have known and loved full well. They have passed from us, those friends of yesterday. Just awhile ago they talked with us, they laughed with us, their joys were our joys, their sorrows were our sorrows. We call it death, this slipping of earthly moorings.

“And drifting with the ebbing tide away;
But it is only the passing through the shadows;
Into a life of endless day.”

Frank was a tender and affectionate husband and father, contributing his full share in making the home a happy and blessed one. Hospitality of the true Southern and Christian style abounded in the home of Frank Ellisor. To the writer it was always a most pleasant occasion to have the privilege of visiting in the home.

To the God and Father of us all and to Jesus Christ our Saviour, whom D. F. Ellisor loved so devoutly and loyally served, we commend his devoted family, and pray that in God's great afterwhile they may all meet in the “Land of the Unsetting Sun.”

REV. EDMUND WILLIAM ROBERTS

The home of Daniel Marcus and Cornelia Newberry Roberts was blessed May 29, 1859 by the birth of a son whom they named Edmund William. Thus, in Monroe County, Alabama, near Monroeville, began a remarkable life. The life of Brother Roberts was unusual in the number of years he lived; in the extent to which he enjoyed good health; and in the completeness of his consecration. He had almost reached four score and four years of age. Until a few days before his death he had spent only three days of his long life in bed on account of illness, and frequently remarked to the writer, “I never have an ache nor a pain.”

Having utilized the educational advantages that were available to him, Brother Roberts devoted ten years of his early manhood in teaching school.

Many have found it difficult to make a complete surrender to Christ. It was so with this school teacher as the Holy Spirit strove with and convicted him. The surrender was complete. It was made once and for all. His entire life following the event was a testimony of the fact. The life of this servant of God is, perhaps, most remarkable for his indifference to material possessions and his passionate desire to belong completely to God. This passion that began in his early religious experience never cooled and it motivated him in his honorable old age.

On March 15, 1891, Miss Annie Elizabeth Jones, became the bride of Edmund William Roberts, a union that was blessed with five children

and more than twenty-eight happy years. That union was terminated by her death, which occurred Oct. 28, 1919. Three children: Mrs. S. D. Stanfield, Tallassee, Ala.; Mrs. Vida Waldrip, New Orleans, La.; and Edmund Lewis Roberts, Marvel, Ala., survive. The two other children: Mrs. J. S. Gibson and Mrs. S. C. Richardson, preceded their father to the Great Beyond.

In the Autumn of 1921, Brother Roberts was married to Mrs. Minnie Stanford, who died Dec. 11, 1939. Sometime after the death of his second wife, Brother Roberts moved to Tallassee, where he lived with his daughter and her husband, Mr. and Mrs. S. D. Stanfield, until his death, which came with the approach of night, March 26, 1943. He was buried beside his first wife in the cemetery of the Mt. Carmel Methodist Church, near Jay, Fla., the following day. The services were conducted by Rev. G. G. Vickers and Rev. H. F. Wesley.

For a little more than a year, the life of Brother Roberts was a benediction to the life of the writer of this inadequate memoir. To see his feeble, palsied body, driven by an indomitable will to do good, on its constant missions to talk to someone about the good life was an humbling experience, likely to fill one with a sense of unworthiness. Until after he was unable to be out of the house, his mind was busy with plans for working for the Lord. Often have I thought, as I watched Brother Roberts, of George Whitefield's testimony preceding his death, "Lord, I am tired in thy work but not of thy work."

It was once our privilege to serve a Church that had been served by Brother Roberts. They had not forgotten him. We dare say he is remembered wherever he has been. We shall not forget him. We covet for ourselves, for all our fellow ministers, and for all our fellowmen a crown as bright and incorruptible as his.

REV. CALEB BATES

Rev. Caleb Bates, the son of James and Sarah Cox Bates, was born Feb. 25, 1862, in Barbour County, Ala., and died June 10, 1943, at his home in Autaugaville, Ala. His quiet and easy slipping away was befitting the comforting gospel of peace and love which he had preached for forty-seven years. And he would have had it so.

Out of a family background of honesty, piety and upright living, and through the discouraging hardships of the Reconstruction following the Civil War, Caleb Bates planned and looked forward to a useful career. No new or trying circumstances upset him nor caused him to lose his self-control. He had the happy faculty of being at ease in any society. He knew there was always room and safety for a real man, and he was that.

Out of a Baptist home, at the age of twenty he united with the Methodist Church at Post Oak, Ala. Five years later this Church granted him license to preach. After teaching for a few years he attended Southern University at Greensboro, Ala., for two years.

He was admitted on trial in the Alabama Conference in 1890 and into full membership in 1893.

On Dec. 31, 1893, he was married to Miss Alice Cosby who was a helpmate indeed, both in the Church and in the home, until his translation. From this union were born four sons, Joel Leontz, Robert Lomax, Lamar and Spain Leroy, and two daughters, Louise and Alice Lorena (Mrs. F. G. Charlton). The passing of Louise and Lamar proved the greatest storms to break upon the Bates household, but like Caleb of old, though disappointed and heart-broken, with unwavering faith, he continued to preach the riches of God's eternal grace and held confidently to the truth of Paul's words: "All things work together for good to them that love God."

The other children, with established homes and places of usefulness and service in community and Church, enriched the joy and happiness of their father in his declining years.

Brother Bates was a positive character, at home, in the Church and elsewhere. He did his own thinking and met his own responsibilities uncompromisingly. A beautiful spirit of joyful co-operation was the highlight of his family circle, for the members of his family knew that his heart was as warm as his opinions were strong.

As a business man he was a marvel. During forty-seven years, on an average salary of less than one thousand dollars, he met the expense of twenty moves and gave each of his children a college education. He was too honest to get much from the fellowship of a man who was careless with his obligations.

As a preacher, he was rooted and grounded in the fundamentals of the Christian Faith. He was never moved by any new wind of doctrine. His thoughtfully and prayerfully prepared sermons were spiritual food to all who hungered and thirsted after righteousness. As a pastor, he was a good shepherd and beloved by his people, who more than once, asked for his return for a second pastorate.

Retiring at his own request in 1937, he made his home at Autaugaville, among a people who both loved him and elected him to serve them as Mayor.

He served his Conference on many important Boards and Committees, had the confidence of his brethren, who elected him in 1921 to represent them in the General Conference; an honor which he deserved.

Faithful unto the end was this good man. He supplied the Autaugaville Charge in 1942. On Tuesday before his passing he attended the session of his District Conference; on Thursday night he attended Prayer Meeting, and on Friday he was not found for God took him.

Funeral services were held from the Autaugaville Church, June 12, by his pastor, Daniel Jones, assisted by E. A. Childs, in the presence of many of the brethren of the Conference: W. F. Calhoun, W. C. Cowart, F. G. Hastings, J. L. Jones, and H. Lisenby. Rev. Cary Cox, Pastor of the Autaugaville Baptist Church, was also present.

Rev. Caleb Bates lived long and well. His life needs no defense and his works need no apology. His body rests in Rock Hill Cemetery, at Autaugaville.

REV. WILLIAM THOMAS ELLISOR

William Thomas Ellisor was born at Pine Level, Alabama, on April 20, 1867. He was the son of William and Sarah Young Ellisor. Born of noble parentage and reared in a Christian home, he grew up in the Church and early learned to love the Lord. He joined the Church when ten years of age under the ministry of Rev. B. L. Selman, at Rehobeth Church on the Pine Level Charge. He was licensed to preach at nineteen years of age at Salem Church by the Quarterly Conference of the same charge.

Will Ellisor belonged to a large family of Christian men and women, most of whom are still living. Four of them were ministers and a sister married a minister. Of the three brothers who have made the name of 'Ellisor' great in the Alabama Conference by their high living and fine ministry, Will was the eldest. Frank, one of the three, preceded him in death by only a few months. Grant, the third of this outstanding trio, still lives and is minister at Geneva, Ala. Ben, another brother, is a local minister and lives in Montgomery, Ala.

W. T. Ellisor was educated in High School at Pine Level, Ala. and in the Southern University, Greensboro, Ala. He was twice married. On Aug. 17, 1882, he was married to Miss Maude Lou Solomon, who died in June of the following year. On April 8, 1896, he was married to Miss Lovie Stewart, who still lives in their home in DeFuniak Springs, Fla. There were no children. His domestic life was the purset and best in every way. But few equalled and none excelled him in his abiding devotion to his wife.

Brother Ellisor joined the Alabama Conference in 1891 and was a loyal member for nearly fifty-two years. He was active in the Conference for forty-seven years. For one year prior to joining the Conference he was assistant pastor of the Mount Meigs Circuit.

After superannuating, he and Mrs. Ellisor lived in their home in DeFuniak Springs, until his spirit took its flight on Aug. 18, 1943. The funeral was held from the Methodist Church of DeFuniak Springs on Aug. 19, and his body was laid to rest in the cemetery in that city. Rev. W. H. Venters, pastor, had charge of the service assisted by the following brethren: D. P. Slaughter, Carlton Preer, D. W. Haskew, R. J. Mills, R. W. Judkins, and the writer. Rev. C. V. Leach, pastor, and Dr. Daniel Curry, Pastor Emeritus, of the Presbyterian Church and Rev. J. R. White of the Baptist Church, also assisted. The high regard in which he was held was testified to by the large gathering of relatives and friends at the church and the grave. He knew the end was near and had made all arrangements for his funeral, even to the selection of the songs for the funeral service. These songs expressed his life. He longed to go on to the "Home of the Soul" and often talked of its bright man-

sions. "I love to tell the story" was his life-long desire, and when the doctors told him that it would be wise for him to retire, he was much grieved. However, he was always ready to say "Let Him have His way with me."

Back in the middle ages there was a beautiful and radiant thing called chivalry. The one purpose lying at the root of chivalry was that of cultivating a fine and stately type of manhood. The motto of this ancient chivalry was: "Be courteous! Be brave! Be true!" The ones who embodied these noble characteristics in the finest degree were the Knights of the Round Table. In thinking of my good friend I associate him with the ancient chivalry and the Knights of the Round Table. He was a Christian gentleman of the old school. He was brave and courageous as a Knight of old.

Our brother was an exceptional pastor, a rare Christian, an intimate and trusted friend. He never betrayed a friend nor proved unfaithful to a trust. He kept faith with the Church that nurtured him, and his life was never marred by unholy ambitions. There was no secret scheming, no attitude of antagonism toward his brethren in his superb life. Such men who are content to spend and be spent will save the day for the Church we love. Back of the pure gospel he preached was a pure life. He was pure in mind and speech, good natured always, and created a cheerful atmosphere about him. His family, his Church, his Conference, his God came first. He loved God and his fellowman. Somehow the sky was brighter and the joy of life was fuller and more meaningful by coming in contact with this saintly man. His was a great soul which enriched the lives of those who knew him. Like Enoch, he "walked with God, and was not, for God took him."

—R. R. ELLISON.

Schedule For Minimum Support of Pastors

The following plan of Sustentation Fund for underpaid Pastors, submitted by the Town and Country Church Commission, was approved by the Conference of 1941.

Goals—The minimum salary goals: \$800 for unmarried pastors: \$1000 for married pastors.

Sustentation Fund—Every member under appointment of the Conference is asked—on a voluntary basis to pay into this fund as follows:

On a salary below the minimum.....	½ %
On the first \$1000 or fraction thereof above the minimum.....	1 %
On the second \$1000 or fraction thereof above the minimum.....	1 ½ %
On all \$2000 above the minimum.....	2 %

Then ever Charge is asked to pay into this fund the same amount as its Pastor pays. Payments on the fund should be made after each quarterly conference, remittance being made to the Treasurer of the fund, Rev. A. B. Carlton, Evergreen, Ala.

Distribution—Each pastor whose salary plus Mission appropriation is less than the minimum, may be a beneficiary of this fund. To be considered so he must present to the Commission on Town and Country Church on or before the second day of the Conference session an application—on a blank prepared and distributed by the Conference Secretary. This report and application will show first the salaries paid the previous year by the Churches of his Charge, then the salaries paid the current year, then the Mission appropriation received. If the current salary exceeds that of the previous year, he is entitled to a dollar for dollar equivalent for its excess. If the current salary does not exceed that of the previous year, he may state the case fully, showing why his Charge should receive benefit and why he himself needs benefit. Then the Commission, thoroughly considering each case shall make its distribution, first matching all increases, then supplementing salaries as the needs and circumstances of each case and as the funds in hands will warrant. Provided, when a Pastor cooperates in this and his charge does not he shall be entitled to 50 percent of the increases as far as the funds will warrant. In every case the Pastor's total remuneration is to be limited by the minimums set by the Conference.

The Commission is expected to report its distribution to the Conference, together with a full report from the Treasurer. The expenses of the Treasurer's office are allowed as a charge against the fund.

BOARD OF EDUCATION

Character or chaos! This warning should hang over the doorway of every person who is concerned with the happiness and welfare of man, with the future course of civilization, and with the coming of the Kingdom on this earth. Man is endowed with incomparable capacities for weal or woe, for good or evil. Which of these outcomes emerges will be determined by the social and spiritual environment that shapes and moulds the developing mind and soul.

Civilization has been marked by the emergence of certain social institutions which have operated for guidance and control. Among these institutions are the home, the community, the school, and the church. Christian philosophy has pronounced a code of principles which, if allowed to direct and control the unfolding nature of man, will produce man at his best and a social world characterized by peace, harmony, and dynamic goodwill. The church is the agency for promulgating these principles, this philosophy.

Among the agencies through which the church channels its influence are homes, schools, and colleges. This Conference Board concerns itself with refining and directing the mechanics and processes whereby Christian culture may most effectively determine what kind of character man shall be.

The Board of Education is operating on a sound financial basis. All obligations are met promptly.

The report of the Executive Secretary reveals a most gratifying record of achievement by both the salaried and the volunteer staff. The Board wishes to make public recognition of the intelligent and capable leadership and administration of Charles C. Turner, Jr., Executive Secretary; and of the faithful and effective work and cooperation of Miss Mary H. Jones, for 25 years Office Secretary, to whom the Annual Report of the Secretary is dedicated; and of the fidelity to duty of the other members of the staff.

Particular attention is directed to the Epworth Training Conferences and the Pastors-Leadership School, attendance upon which was increased more than 40%; the Christian Workers' Schools, increasing from 1 to 20 schools and from 37 to 1224 in attendance; and to the Bible Conferences initiating 8 new Schools with an attendance of 480 people. The Board wishes particularly to express its gratitude for the wholesome interest and cooperation of the pastors of the Conference.

SCHOOLS AND COLLEGES

Huntingdon College

Under the administration of Dr. Hubert Searcy, President:

1. Huntingdon will this year reach her highest enrollment, exceeding 800. For lack of space 200 girls have been turned away during the fall semester.
2. Huntingdon is operating on a sound financial basis, this being her seventh consecutive year with a balanced budget. She has no debt.
3. The Trustees have approved certain programs of work for the College which will necessitate raising \$2,500,000 for endowment, buildings, and current purposes.

The Board of Education recognizes with peculiar pride the marked and continuing improvement in the status of Huntingdon College—in its administration, in its scholastic standing, and in its finances. It commands the respect of the public, of this Conference, and of the rating agencies. Its future is assured—its future as a great historic and commanding woman's college here in the deep South. Its only present need is greater financial resources for the enlargement which it is now prepared to take.

Birmingham Southern College

Dr. George Stuart, Jr., President, reports that Birmingham Southern College is out of debt, that the enrollment is good in view of present war conditions, and that plans are being formulated for curriculum improvement and for new buildings.

Recommendations

The following recommendations are made to the Conference:

1. That our Church Schools use exclusively our own Church literature.
2. That the following special days and week-day activities be observed:
World Service Sundays, Young People's Day, Church School Rally Day, Race Relations Day, College Student Day, Christian Education Week, Christian Family Week (preceding Mother's Day), and Vacation Church Schools.
3. That wholehearted cooperation be pledged to Bishop Harrell and the District Superintendents of the Alabama Conference in prompting the Crusade for Christ.

4. That the Alabama Conference continue wholeheartedly to support Birmingham Southern College and Huntingdon College financially and spiritually; that all pastors be pledged to give their leadership and efforts to strengthen the financial stability of these colleges; and that we send from our homes and churches those young people who should be registered as students in these institutions.
5. That College Day be observed in every church of the Alabama Conference; that a special offering be taken and sent to the Conference Treasurer; that the proceeds be divided equally between Birmingham Southern and Huntingdon Colleges; and that the Commission on World Service and Finance designate Sunday, May 27th, as College Day.
6. That the Alabama Conference extend assurances of interest, faith, and cooperation to the Wesley Foundations at Auburn and the University of Alabama in any plans for the promotion of the Foundation's interests at the two centers — both spiritual and financial.

BOARD OF LAY ACTIVITIES

In general the year has been one of satisfactory achievement in the varied phases of Church activities in which the Board of Lay Activities has been engaged. Reports to the Conference will reveal an unusually good year financially and some increase in membership.

The philosophy underlying the Lay activities program is to enlist laymen for service in all phases of Church work, to inspire them to render the best possible service, and to assist in their training so that their service will be most effective. The entire program of Methodism is the program of Lay Activities.

The outstanding feature of the year has been the mid-year meeting of the Board of Lay Activities which was held March 17-19, 1944. Every District in the Conference was represented, our Bishop and District Superintendents rendering every assistance and encouragement by their presence. Dr. George L. Morelock, Executive Secretary, General Board of Lay Activities, was the featured participant.

While the laymen expressed desire in the closing session to hold a similar meeting in each District, so far as is known no such District.

gathering was held. During the next year, it is the purpose of the Board to urge such a meeting in each District when the lay leaders and members of Official Boards from the several charges can be gathered together for such a period of instruction and inspiration.

The Board pledges itself to full participation in the "Crusade for Christ," not only in the specific cultivation of stewardship which has been assigned to it by those in charge but in every other phase as well. We call on all laymen to subscribe generously and promptly to the immediate effort of raising twenty-five million dollars as the first of the specific objectives of this crusade.

The Board requests the Conference to authorize the District Superintendent and Conference Lay Leader to fill any vacancies which may occur in the district organization between conference sessions.

For list of District Lay Leaders, see Division II.

BOARD OF HOSPITALS AND HOMES

We note with gratification the continued progress in the work at the Methodist Children's Home, under the Superintendency of Mr. Virgil McCain. A condensed financial report is attached as a part of this report.

We nominate as Directors for a term of five years, Mrs. E. H. Hobbs and O. H. Delchamps; and to fill the unexpired term of W. W. Jeffries, resigned, L. B. Green.

The Golden Cross enrollment was conducted in a small number of the Churches in the Conference during the past year. The two beneficiaries of this fund: The Minnie Starling Clinic at Aldersgate Mission and the Annie E. Smith-Ida L. Allen Memorial Hospital at the Methodist Children's Home, received this year one hundred dollars each.

We recommend that the Golden Cross enrollment be made in all the Churches of the Conference the week of April 22-29, 1945, and earnestly urge a larger observance.

We have re-elected James E. Tate as Conference Director of the Golden Cross, and ask his appointment by the Bishop.

BOARD OF CHRISTIAN LITERATURE

It is the sincere desire of this board to make the term "Christian Literature" mean something wholesome and constructive in the Alabama Conference. To this end we shall continue our efforts in the future as we also have in the past, that our Methodist Publications be used in the homes of our congregations.

The Bible of course comes first on the list of reading materials. We urge the daily use of the Bible as a standard for our devotions and as a guide for the enrichment of our souls. For the information, the inspiration, and the spiritual growth of our people, we most heartily recommend the reading and the study of our Methodist Publications; The Christian Advocate, The World Outlook, our splendid Church School Literature, The Upper Room, The Methodist Primer and the wonderful books of the Abingdon-Cokesbury Press. We are concerned too, for literature that will meet the growing need of our young people: Literature that will arouse an interest in our Fellowship Services; and Youth Study Work, that will challenge the possibilities of our youth. As a means for creating a love for good music and wholesome congregational singing, we urge the liberal use of our Methodist Hymnal in all of our congregations.

This marks a most marvelous year in the growth of the Alabama Christian Advocate. Improvements have been made on the office building and parsonage and all bills are paid. The Advocate is in good condition financially.

All records have been broken in the number of Churches putting the Advocate in every home. The number has increased from 39 two years ago and 94 a year ago to 206 this year. The circulation has increased from between fourteen and fifteen thousand three years ago to above twenty-two thousand this year. Two years ago our net gain in circulation was twelve hundred. This year our net gain is twenty-nine hundred and fifty. In the past three years we have had a net gain of sixty-nine hundred. We expect to reach a circulation of twenty-five thousand by the end of another year.

We make the following recommendations:

1. That the goal for our conference be to place the Alabama Christian Advocate in every Methodist Home.
2. That we request the commission on world service to grant the same percentage as heretofore.
3. We nominate R. P. Cochran as a member of the Board of Directors for a term of five years and W. C. Mackey to fill the unexpired term of E. O. Hussey.
4. We request the appointment of A. E. Middlebrooks as Editor and Business Manager.

Signed: W. C. Cowart, President
C. H. Seibert, Secretary.

BOARD OF MISSIONS AND CHURCH EXTENSION

I. Mission Section

Your Board is happy to report real progress toward its long cherished policy to devote the greater part of its funds to missionary development work rather than sustentation. The new project listed a year ago as West End, Pensacola was organized as Pine Forest Church. They are asking no further help from this Board and, we understand, will come off the General Board after this year. Several new projects are being organized and sponsored in Dothan, Mobile and Montgomery Districts.

The General Board, Home Mission Section, is generously cooperating with this Board in maintenance appropriation of \$500 for the Aldersgate Mission. Maintenance appropriations of \$600 for Dumas Mission, \$750 for Pine Forest Work and \$1200 for St. Andrews Chapel Mission have been approved by this Board and are pending.

We recommend the continuation of the plan to provide an Emergency Reserve Fund by retaining ten per cent of Conference Missions collections each year and by adding all unused balances.

We recommend and request the reappointment of E. A. Childs as Conference Missionary Secretary.

COMMITTEE ON WORLD PEACE

We present for your endorsement the following propositions, which received the unanimous endorsement of the General Conference, May fifth 1944:

"Christianity cannot be nationalistic; it must be universal in its outlook and appeal. War makes its appeal to force and hate, Christianity to reason and love. The influence of the Church must, therefore, always be on the side of every effort seeking to remove animosities and prejudices which are contrary to the spirit and teaching of Christ.

"It does not satisfy the Christian conscience to be told that war is inevitable. It staggers the imagination to contemplate another war with its unspeakable horrors, in which modern science will make possible the destruction of whole populations. The methods of Jesus and the methods of war belong to different worlds. War is crude and primitive force. It arouses passions which in the beginning may be unselfish and generous, but in the end war betrays those who trust in it. It offers no security that its decisions will be just and righteous. It leaves arrogance in the heart of the victor and resentment in the heart of the vanquished. When the teachings of Jesus are fully accepted, war as a means of settling international disputes will die, and dying, will set the world free from a cruel tyrant.

"We have looked to international diplomacy to prevent war and it has failed. We have trusted in international law to reduce the horrors and eliminate in a measure the cruelties of war, but war grows only more hideous and destructive. The time is at hand when the Church must rise in its might and demand an international organizations which will make another war impossible."

"The Methodist Church, true to the principles of the New Testament, teaches respect for properly constituted civil authority. It holds that government rests upon the support of its conscientious citizenship, and that conscientious objectors to war in any and all of its manifestations are a natural outgrowth of the principle of good will and the Christian desire for universal peace; and holds that such objectors should not be oppressed by compulsory military service anywhere or at any time. We ask and claim exemption from all forms of military preparation or service for all conscientious objectors who may be members of The Methodist Church. In this they have the authority and support of their Church. However, we recognize the right of the individual to answer the call of his government in an emergency according to the dictates of his Christian conscience."

Signed: W. D. Agnew, Chairman
C. C. Turner, Jr., Secretary.

BOARD OF CONFERENCE CLAIMANTS

We recommend that the Alabama Conference join the other Conferences of the Southeastern Jurisdiction in favorable consideration of support of an amount not exceeding one-half of one per cent of the pastors' salaries to be sent to the Missouri Corporation for use as a stabilization fund in the interest of a basic minimum annuity rate for the Jurisdiction. The same to be deducted from the ten per cent already approved by this Conference.

Signed: A. B. Clausen, President.
J. T. Ellisor, Secretary.

APPROPRIATIONS TO CLAIMANTS

In the distribution of funds, Retired Ministers received \$10 per service year, and Widows received \$7 per service year. Where the appropriation exceeds this amount the claimant has received special consideration on basis of need.

BOARD OF TEMPERANCE

The cause of temperance has made notable progress in Alabama during the past year, notwithstanding many handicaps due to the preoccupation of the people with the war effort.

Most gratifying has been the organization of young people in temperance activities. More than 210,000 of the youth of our state have pledged themselves to total abstinence from alcoholic beverages. Youth Temperance Councils have been organized in Mobile, Montgomery, Birmingham and other cities, and these are training a new and vigorous leadership for tomorrow's post-war world. We recommend that wherever practicable our pastors and churches foster the local organization of Youth Temperance Councils, and encourage them by giving them charge of fifth Sunday night services. We commend the Woman's Christian Temperance Union and its auxiliary, The Youth Temperance Council, to the moral and financial support of our people, and particularly suggest the formation of local church temperance committees in agreement with Par. 148 of the Discipline.

The Drys of Alabama will re-introduce their Statewide Liquor Referendum Bill in the Alabama Legislature next May. We bespeak the full co-operation of our Methodist people in this effort, to achieve a determination of the liquor question throughout our state by the democratic choice of the people themselves.

We are reliably informed that the Liquor and Beer interests are planning to introduce at our next legislature a bill to prohibit any more elections at all on the liquor question in Alabama until one or two years after the war shall have been officially declared at an end. This un-American disfranchisement of sovereign citizens on this one issue alone was defeated in Pennsylvania and Kentucky only by the vetoes of the Governors of these states. It succeeded in Louisiana. We call upon all our Methodists to unite in resistance to this Nazi-like scheme.

We heartily endorse the splendid work of the Alabama Temperance Alliance in its prosecution of a Christian solution of the alcohol problem. We urge all our churches either to include an appropriation to the Alabama Temperance Alliance in their local financial budgets, or to take up a special cash offering therefor on Alabama Temperance Sunday.

COMMISSION ON EVANGELISM

The Commission on Evangelism has endeavored to be helpful in the planning and promotion of evangelistic enterprises in the Conference. We believe that we should not only bring the unchurched into membership in the Church but that everyone received should be given adequate training in the meaning of Church membership and the meaning of Christian discipleship.

We recommend that in each Church a class for the instruction of children be organized and that they be thoroughly trained for effective membership. We believe that children who are already members of the Church who have not received such training should be included in the classes. The Board of Evangelism will undertake to furnish without cost to the Church concerned, where necessary, a Manual for Church membership for each child enrolled in these classes.

We urge every pastor to begin now planning and perfecting organization for an effective program of home visitation evangelism early in 1946.

We heartily endorse the objectives of the Crusade for Christ and urge the full cooperation of all ministers and laymen to the end that it shall be a mighty movement, intelligently and zealously directed toward the goal of a redeemed world.

BIBLE SOCIETY BOARD

The American Bible Society continues its War-time mission of translating, producing, and distributing copies of the Scriptures in 1062 languages. Thousands of churches needing help are aided in getting Bibles and Testaments for their Sunday Schools and homes at the lowest possible cost.

The "Younger" Churches in all the great continents and hundreds of the islands of the seas look to the Society and its Allies for supplies of scriptures. Hundreds of American servicemen in little-known parts of the world have had Bibles shown to them by smiling, helpful natives, and in the Bibles has been the imprint of the Society. At home and abroad, through pastors, missionaries, and christian workers, and its own staff the Society is bringing the word of God every year to hundreds of thousands of people who do not have a Bible. This year the Society has sent thousands of Bibles, New Testaments and gospels to men and women in the armed forces and merchant marine, through Chaplains in the army and navy and air forces.

Your Bible Society Board urges the ministers of our Conference to give publicity to the following:

- (1) Universal Bible Sunday—December 10, 1944.
This year Bible Sunday material will be sent to pastors only upon request. We request that pastors get their orders in early and observe the day in an appropriate manner.
- (2) The Thanksgiving to Christmas Outline of daily Bible Readings promoted by the Society which includes the favorite passages of thousands of people the country over. Supplies for this nationwide observance, including V-mail stationary with the outline printed on it for the use of service men overseas, will be sent free on request to the American Bible Society, Atlanta, Ga.

PLAN FOR MINIMUM SUPPORT FOR PASTORS

The following plan is offered by the Town and Country Church Commission for the operation of the sustentation fund.

SUSTENTATION FUND: Every member under appointment of the Conference is asked, on a voluntary basis, to pay into the fund as follows:

On a salary below the minimum	1/2%
On the first \$1,000.00 or fraction thereof above the minimum....	1%
On the second \$1,000.00 or fraction thereof above the minimum	1-1/2%
On all over \$2000 above the minimum	2%

Charge Participation—The Commission will send to each possible participant a concise explanation of the Plan, pointing out certain definite requirements that must be met if the minister is to share in the distribution of the Sustentation Fund.

Specification I. Each minister is to present carefully and to explain the Plan to the Board of Stewards of each church on his charge.

Specification II. A questionnaire will be mailed to each prospective participant thirty days before the meeting of the Annual Conference. The minister is requested to answer completely all questions in order that he may share in the distribution of the funds.

Specification III. The amount of distribution to each minister will be determined, in a large part, by the recommendation of the District Superintendent, as to the response of the charge commensurate with its ability and to diligence of the minister in performing his pastoral responsibilities.

Specification IV. Each Charge is to participate in the raising of this fund on the same basis as its pastor.

Distribution—

Each pastor whose salary plus mission appropriation is less than the minimum goal may be a beneficiary of this fund. To be considered so he must present to the Treasurer of the Sustentation Fund on or before the second day of the Conference session an application on a blank prepared and distributed by the secretary of The Town and Church Commission. This report and application will show first salaries paid the previous year by the churches of his charge, then, the salaries paid the current year, then the Mission appropriation received. If the current salary exceeds that of the previous year, he is entitled to a dollar for dollar equivalent for the excess. If the current salary does not exceed that of the previous year, he may state the case fully showing why his charge should receive benefit and why he himself needs benefit. Then the Commission, considering thoroughly each case, shall make its distribution, first matching all increases, then supplementing salaries as the needs and circumstances of each case and as the funds in hand will warrant. Provided, when a pastor cooperates in this and his charge does not he shall be entitled to a 50% share of the increases as far as the funds will warrant.

In every case the pastor's total remuneration is to be limited to the minimum goals set by the Conference. We recommend that the goal be set \$1000 for single man and \$1200 for married man.

The Commission is expected to report its distribution to the Conference, together with a full report from the Treasurer. The expenses of the Treasurer's office are allowed as a charge against the fund.

Payment on the fund should be sent after each Quarterly Conference to Rev. A. B. Carlton, Treasurer, Evergreen, Alabama.

DIVISION VII — MEMOIRS

REV. ADGER MOORE

Rev. Adger Moore was born in Shelby County, Alabama, October 23, 1890. He died at Blountstown, Fla., June 1, 1944. After funeral services at Blountstown, his body was interred at Dothan, Ala.

In 1931, Adger Moore, answered the call to preach and that fall joined the Alabama Conference. In 1933, he was ordained a deacon and in 1935 an elder. At his death he was serving the thirteenth year of his ministry and the fifth year of his pastorate at Blountstown.

Prior to entering the ministry, Brother Moore was engaged in the Building Loan and Insurance business in Dothan. As a young man he lived in Birmingham and was for a time secretary to a law firm there. A very interesting part of his life was spent in Washington as a Congressional Reporter. During World War I, he served in the U. S. Navy in the Transport Service. In pursuance of this work he crossed the ocean eighteen times.

On April 22, 1917, Brother Moore was married to Miss Mittie Beasley, of Andalusia. There were no children. For twenty-seven years Brother and Mrs. Moore shared life together, its joys and its sorrows, its glories, triumphs and thrills. Mrs. Moore was a wonderful help to her husband in his work for the Lord.

For a number of years Brother Moore was the secretary of the Board of Church Extension in the Alabama Conference, in which capacity he rendered most effective and considerate service.

Probably Brother Moore's greatest success in the pastorate was at Blountstown, where he did a monumental work. In the building of the magnificent sanctuary there he was architect-contractor and worked along with the builders. He furnished the faith and vision that were needed to lead the people of Blountstown to contribute liberally for the building of a House of God that would do credit to a much larger city. For over four years he worked among them as a modern Haggai, entreating them to build the Lord a house, and the work was completed shortly before his death.

Physically speaking, Brother Moore was a large, well-proportioned man. He was about six feet tall. When dressed in his large black hat, white muffler and black suit he was a very handsome man. He took pride in his personal appearance. He was a sociable personage, always carrying his part of the conversation in a group or board meeting. He was good company whether you agreed with him or not.

As a minister of the Gospel, he put those about him in remembrance of the things of God, and in the words of Paul to Timothy, "was a good minister of Jesus Christ". He was a good preacher of the Word. He was a very acceptable pastor of the flock. He was a person who did not spare himself but kept eternally laboring for the kingdom's coming until he was physically able to go no longer. Stricken in middle life with a fatal illness, he was patient in suffering, kept his troubles to himself, never worrying his friends with his ills and disappointments. During the months he was confined to his room and bed, he never lost heart, his courage never wavered, he looked ahead to service with his Lord, came to the end of his earthly pilgrimage with his colors flying and always gripped with a sure belief in his faith in God.

Brother Moore was always sweet-spirited whenever I saw him. I never saw him get angry. He took life in stride and met duty as it came along. He carefully filled every duty of life as a pastor, preacher, worker, server, committee member and as a minister of Christ. So great was his popularity at Blountstown that the congregation wanted him back for his fifth year. They appreciated what he had done for them and among them.

We pray God's blessings upon Mrs. Moore. She did her part in making the ministry of Brother Moore a success. As a Conference, we deeply

appreciate the ministry of her husband and her ministry with him and shall keep fresh the memory of this good man down through the years.

REV. SAMUEL ERNEST SPENCER

Samuel Ernest Spencer was born in Greensboro, Ala., October 7, 1887. He was the son of Dr. George M. Spencer and Ella P. Mayes. He was educated in the elementary schools of Greensboro, attended Livingston Normal School in 1906 and 1907, and the Southern University in 1908 and 1909. Early in life he joined the Methodist Church under the Ministry of Rev. J. W. Killough.

Brother Spencer was licensed to preach by the Greensboro District Conference in May 1907, and was admitted on trial into the Alabama Conference at Opelika, Alabama, in Dec. 1909. He was admitted into Full Connection at the Conference session in Troy, in 1912.

He was married on June 1, 1910, to Miss Rosebell Wimberly, the Rev. T. L. Adams, who was pastor at Butler, officiating. To them were born eight children — Mrs. Marjorie S. Hildreth, Opp, Ala., Mrs. Pearl S. Wal-drop, Bonifay, Fla., Mrs. William Edwards, Fort Deposit, Ala., Misses Ruby and Ernestine Spencer, Prichard, Ala., Lester Spencer, Prichard, Ala., Samuel Spencer, U. S. Army, and Rev. Lamar Spencer, who has been associated for the past two years with his father at Prichard.

The parsonage home of the Spencer family was an institution from which Christian influence radiated. We doubt not that from this preacher's family's life in the charges Brother Spencer served, the Gospel was preached with as much power and consistency as was the ministry of the preacher himself in the pulpit. No one ever had the joy of its simple, genuine hospitality without a realization of the beauty, fellowship and co-operation of the members of the household. Here was another Epworth Parsonage — blessing everyone it touched.

In 1909 Brother Spencer was the supply pastor of the Brightwater Charge. The Conference that fall returned him to this charge. In 1911 he was sent to Garland and was there for four years. In his ministry of thirty-four years he served thirteen charges. Wherever he went his ministry was appreciated, and the Church advanced. He felt that he was the servant of everybody, always spending himself for others. Men, women, and children sought his counsel and help. Often he was imposed upon, but one never heard him complain. He was everywhere the pastor of his people. In sickness, sorrow, or tangled human relationships he was always there with a warm heart, helpful hand, and the spirit of Him who went about doing good.

Brother Spencer was unusually successful in leading his people to care for the properties of the Church. When he went to one charge, he took the furniture, which was worn out, dirty and infested, out into the pasture and burned it — then refurnished the parsonage throughout. Almost without exception he left the church properties of his charges in good repair. Aside from his fine spirit in his pastoral relationships, the outstanding characteristic of Brother Spencer's ministry was his ceaseless labors. If others gave evidence of their faith by affirmations and praise, he expressed his by works.

The last pastorate to which Brother Spencer was sent seemed to crown his ministry, — the pastorate of the Prichard Methodist Church. Here he led his people in the building of a beautiful modern church at a cost of \$26,000. It was finished before his last illness, and a few weeks after his death, the church, under the leadership of his son, paid all the

outstanding obligations. It was dedicated on October 8, by Bishop Harrell. This church will be a living memorial to the ceaseless labors and wise leadership of Brother Spencer.

Early in 1943, Brother Spencer became ill. During the long months of his illness he suffered with Christian fortitude — ever appreciative of his family and friends who ministered to him. Although anxious to continue his work, and especially to live long enough to see his children grown, he often expressed his readiness to go.

On June 17, he joined the saints who have finished their course, and another great soul joined the hosts of heaven. There he awaits our coming, and some day we shall be with him again.

The funeral was held on Monday morning, June 19, at the Prichard Methodist Church, Dr. H. W. Rice, assisted by the writer, led the service. The body was carried to Fort Deposit and laid to rest in the cemetery there. The writer, Rev. M. A. West, Rev. O. H. Vanlandingham, and Brother Blankenship, the Baptist pastor, led the services at the grave. Most, if not all, the ministers of Greater Mobile, and many other ministers were present at the church at Prichard.

The record of his ministry in our Conference is attached herewith, but we must needs wait until we can see the fruitful results of the life of this good man when we get the records of heaven. During his ministry he received on Profession 624, and by certificate 525.

REV. OSCAR SYDNEY WELCH

Oscar Sydney Welch was born in Shelby County, Alabama, November 23, 1868, and died at Montgomery, Alabama, July 1, 1944. These dates mark the earthly sojourn of a man who has left a praiseworthy imprint on Alabama Methodism.

He was married three times: to Miss Bessie Lassiter in 1889; to Miss Zeola Calhoun in 1899; and to Miss Emma Dunkin in 1918. His surviving children are Mrs. Allen Northington; Mr. Frank Welch; Miss Kathryn Welch; Miss Thelma Welch. One son, Raymond, died several years ago.

Oscar Welch joined the Methodist Church at Salem Camp Ground in September 1888, under the ministry of Rev. J. O. Noble. Here, to use the words of General McArthur in speaking of his confirmation in an Episcopal Church, he was 'joined to the altar of God'. Joined to the altar of God! And right nobly he kept his church vows throughout his long life. Three years later he was licensed to preach in the ministry of the Methodist Episcopal Church, South; and the following year he was admitted on trial into the Alabama Conference at Eufaula, Alabama. He served his Church and Conference until he retired in 1936; and the after years he spent with his and Mrs. Welch's life-long friend, Mrs. M. F. Washington, at 118 College Street, Montgomery, Alabama.

Though his education was of an extra-curricula nature, Dr. Welch became a splendidly educated clergyman. His reading was wide and discriminating; his fine mind winnowing the chaff from the wheat. In recognition of his acquired knowledge of theology, Birmingham-Southern College conferred on him the degree of Doctor of Divinity.

He was an excellent preacher; clear, logical and vehement. To hear him preach was to remember his message. There was in his personal habits a soldierly quality of austere neatness. As a friend he gave his loyalty to others without stint. He was a good soldier of Christ, than which no higher tribute can be paid mortal man. When he was mustered

out of the Church militant he was, we can be assured, granted the accolade, "Well done, good and faithful servant" by the Great Commander of the triumphant armies of God.

REV. ROBERT JAMES COXWELL

Robert James Coxwell was born March 21, 1873, in Macon County, Georgia, the son of William Jasper Coxwell and Susan Elizabeth Payne. During his early childhood the family moved to West Florida, where Robert united with the Methodist Church at Altha, October 8, 1882, under the ministry of Rev. John Grace. He attended high school at Dothan, Ala., also at Newton (Ala.) Academy, and for a time, Southern University, at Greensboro, Alabama.

He was licensed to preach by the Quarterly Conference of the Big Creek Circuit, Marianna District, October 1, 1892. After teaching for several years he was assigned as Supply Pastor of the Marianna Circuit, for the year 1902. He also served as Supply Pastor of other circuits until he was admitted on trial in the Alabama Conference in the fall of 1906. He had been ordained a local Deacon in 1905. He was admitted into Full Connection in 1909 and ordained an Elder in 1911.

R. J. Coxwell was a Circuit Pastor. During the thirty-five years of his pastoral service he served circuits only, and served a total of 214 churches. Everywhere he served, his ministry was marked by large ingathering. During his ministry he received 770 on profession of faith. At three different periods in his ministry he had Dr. C. A. Rush for his presiding elder. Dr. Rush has this to say of him: "He was careful in his speech and applied himself to overcome any lack in his early education. He was a diligent, faithful pastor, presenting the gospel in such a manner as to attract his hearers. He always left a charge in a better spiritual condition than he found it."

On September 5, 1897, he was married to Miss Cannie Roberta Dees, in Dothan, Ala. To them were born eight children, five of whom survive him. Mrs. Coxwell died several years ago. The one surviving son, James Lamar, is in the armed services in the South Pacific. No one knows a man better than the members of his own family. His daughter, Mrs. Robbie Bayles, gives this testimony, "Robert James Coxwell was a life-long Christian: a person in whom sympathy, kindness and love were made manifest by sacrifice. He had a great heart, and lived a life of service. There was no room found for contention, bitterness nor resentment. His life will serve as a shining example of that which is true and noble."

After his retirement in 1937 he made his home for several years in Eutaw, Alabama, and then for a while in Vernon, Florida. While on a visit to his grand-daughter, Mrs. Myra Nell Williams, in Pensacola, Fla., he was taken ill. He died on September 2, 1944. His body rests in the cemetery of Piney Grove Church on the Taylor Circuit, near Dothan, Alabama. His spirit has joined that innumerable throng of just persons made perfect around the throne of God.

REV. PINKEY MONROE GUTHRIE

Just one day before the opening of the Alabama Conference, where he had answered roll call for sixty years, Rev. Pinkney Monroe Guthrie answered roll call in heaven.

Brother Guthrie was born April 17, 1851, the son of Rev. James Edward and Sarah Barnett Guthrie, at Daleville, Ala., the sixth child of a family of twenty-three children. He got his academic education in the grammar school and High School of Tuskegee, Ala. When asked about his theological training, he answered "Ralston, Watson and Clark were my teachers". That he mastered these and other great books, one who heard him preach would not deny. He was a great student of theology and the Classics.

Brother Guthrie was first married to Miss Mary Harden, Jan. 26, 1871, at Daleville, Ala. Together they lived and labored until Nov. 30, 1914, when she answered her Master's call into another world. To them one daughter, Mary Belle, was born, who died in infancy. Although he was not permitted to have children of his own, he was a great lover of children.

On Oct. 19, 1915, he was married to Miss Unie Clark, of Columbus, Ga., who survives him.

Brother Guthrie joined The Methodist Church on probation, at old Red Ridge Church in Tallapoosa County in May 1864, under the ministry of Rev. H. M. Dupree; and was licensed to preach at the same place Nov. 6, 1875. After serving as a supply six years, he was admitted on trial into the Alabama Conference, Nov. 30, 1881, at Selma, Ala.

At the Conference session which met at Old Court Street Church in 1929, at the age of seventy-eight, he took the superannuate relation.

No man ever served the Church more faithfully or was more greatly loved by his people than P. M. Guthrie. His salary was always small, having received as much as \$1,200 for a year's work only once. His richest reward was in the number of souls brought into the kingdom.

What was said by the writer of the Acts of the Apostles of Barnabas, can truthfully be said of P. M. Guthrie, "For he was a good man, full of the Holy Ghost and of faith and much people was added unto the Lord."

DIVISION VI—REPORTS

BOARD OF MISSION AND CHURCH EXTENSION—MISSION SECTION

This has been a most encouraging year in the development of Conference Missions. Nearly all congregations accepted an increase in World Service Benevolences. The apportionments for the Crusade for Christ were gladly accepted and over-paid. Most Mission Charges increased salaries. One district is making no request for aid. In at least one other district all appropriations are for entirely new projects, thus realizing the Board's cherished and announced policy to devote funds mainly to missionary development rather than as salary supplements.

The General Board, local Churches and individual laymen are generously co-operating in new missionary projects, especially in the maintenance of a Rural Worker in the Dothan District and of a Missionary Evangelist in the Marianna District.

We request the re-appointment of E. A. Childs as Conference Missionary Secretary and recommend holding the Missionary Institutes as early in the new year as possible. We urge generous co-operation in his effort to increase the missionary spirit and zeal throughout the Conference.

We heartily endorse the Evangelistic Crusade and pledge full co-operation with the Board of Evangelism.

NOTICE OF DISSOLUTION

COMMISSION ON HOSPITAL DEBT

Be it Resolved:

1. That the Alabama Conference do hereby constitute a quadrennial Conference commission to be known as the Commission on Hospital Debt, and to be composed as follows: The Bishop and the several District Superintendents of the Conference; the Conference Lay Leader and the President of the W. S. C. S.; one minister and one layman from each district; and in addition three laymen from the city of Montgomery. Members of the Commission other than the Bishop, the District Superintendents, the Conference Lay Leader and the President of the W. S. C. S., shall be nominated by the Cabinet and confirmed by the Conference.

2. It is the sincere desire of the Alabama Conference, insofar as its ability will permit, to fulfill all that honor and Christian ethics require in the matter of the old hospital indebtedness, floating and bonded. To that end the Hospital Debt Commission or its Executive Committee is hereby instructed to gather full information as to the status of the entire indebtedness, and fully present the same, together with any proposals, to the Alabama Conference at a called session sometime prior to March 15, 1946, at which time the Conference will instruct the Commission as to any future course of action. In the meantime the Commissions shall incur no obligation of any kind whatsoever, against the Conference, it being specifically understood and provided that all plans shall be subject to the approval of the Conference.

3. Until otherwise provided by action of the Alabama Conference the Commission or its Executive Committee, if so directed by the Commission, is empowered to administer any funds in their hands or in the hands of the Conference

Treasurer applicable to the old hospital indebtedness, and shall use the same for the discharge of outstanding obligations according to their best judgment.

4. This resolution is adopted with full knowledge that we have no appreciable assets with which to meet these obligations, but in the hope that a way may be found for a just and honorable adjustment of the same.

Comments

At the close of the campaign for the Hospital in 1936 an audit of campaign funds was made by a certified accountant which was turned over to Dr. Andrews, Secretary of the Conference, which audit is now in the hands of Bishop Harrell.

Since the Conference of 1937 when I was made Treasurer of the Hospital Board I have placed annually:

The bank book and my report in the hands of the auditing committee of the Conference. I have dispersed the funds under the direction of the Board, paying the employees and open accounts first. However, some of the employees had judgments but they have been paid.

To the best of my knowledge all the employees and open accounts have been paid excepting those listed in this report. And also a number of payments on judgments have been made.

As treasurer of the Board, at my own expense, I have through these years traveled in and out of Montgomery trying to locate and settle these accounts.

Along with the other members of the Board I am glad to have had a part in selling the hospital, taking care of the Bonded indebtedness as well as these other claims.

Faithfully submitted,

(Signed) C. W. Northcutt, Treasurer.

BOARD OF LAY ACTIVITIES

The Board rejoices that laymen throughout the Conference have been loyal churchmen and most co-operative during the Conference year.

The Board notes with satisfaction the achievements made in increased acceptances and payments of benevolences, in the successful planning and prosecution of the Crusade for Christ, in the anticipated increases in membership and attendance in the Church Schools, in the general observance of Laymen's Day.

The payment of pensions to retired ministers is to be studied by a special committee and there is a keen desire on the part of the laymen to see much improvement in this matter.

Two special projects of the Board have had attention during the year with

varied results: viz, the filling of unoccupied pulpits by laymen and the beautification of church property. It is hoped that our brethern of the ministry will call upon laymen to occupy pulpits as need may arise and the Board calls upon well qualified laymen to render this service as opportunity is presented. The making of churches and church grounds as attractive and as beautiful as possible should be the earnest desire of all laymen and work toward that end should increase.

During the special phase of evangelism in the Crusade for Christ, laymen are called upon to co-operate fully with the preachers of this Conference to the end that a season of spiritual refreshing may be a blessing to all peoples within the range of our responsibility. We rejoice in the success of the Crusade thus far and look forward even to the year of 1947 when ours shall be the special effort to create and keep alive the spirit of stewardship among our people.

BOARD OF EVANGELISM

The Board of Evangelism, feeling keenly the responsibility of helping the Conference face its opportunity of winning the lost and making Christ real in the lives of those who know Him as Saviour and Lord, would like to urge the Church to linger in the presence of God until endued with power from on high, bringing to us a Christly passion for men.

We recommend a training class in the meaning of the Christian life and Church membership for children, youth and adults, in each Church in the Conference. The board will furnish Bishop Harrell's membership manual for children to any pastor who will write the Executive Secretary of the Conference Board of Education asking for them. These classes should include prospective members and applicants for Church-membership.

We heartily recommend and urge the use of visitation evangelism, after proper preparation has been made. We further recommend a stronger use of mass evangelism which also calls for careful and prayerful preparation and selection of the evangelist.

We recommend that the District Superintendents and District Secretaries of Evangelism select and train several men in each district to assist in the direction of this great second phase of the Crusade for Christ.

It is the desire of the Board to see that active Church members become personal workers; that inactive members become active; that inactive non-resident members become active resident members; and each charge endeavor to reach the unreached.

PEACE-TIME UNIVERSAL CONSCRIPTION

Whereas, universal peace-time military conscription would mean a revolutionary change in our cherished historic American traditions of freedom and democracy and would encourage conscription in every other nation; and

Whereas, competitive military expansion would have a disastrous effect upon the peace plans and program of the entire world and would set up a vast military establishment with the vested interests, making increasingly difficult the civilian control of our life; and

Whereas, it would take the education of our youth from the home, the Church and the school and place it in the hands of the military, tending to inhibit initiative which is one of the cherished marks of American character, and creating a lack of sympathy for free speech and generous dreams and plans for a new world; and

Whereas, the effects of military camp life on impressionable youth tends toward the breakdown of the moral principles and standards of the good life; and

Whereas, such an elaborate military program would excite suspicion and fear that we were not sincere as a nation in our support of the United Nations Charter and the ideals announced in its preamble;

Therefore Be it Resolved, that we unqualifiedly and vigorously oppose universal peace-time military conscription; that we do not oppose the principles of national and international defense, but it must be such a system as shall be consistent with the United Nations Charter;

Resolved Further, that our security does not depend upon arming our country to the teeth: true security lies in our co-operation with other nations in establishing world law and order with sufficient force at the disposal of the world organization to suppress the gangster spirit wherever it arises.

(Signed) Walter D. Agnew, Chairman
Committee on World Peace

SOUTHERN COUNCIL OF CHURCHMEN

We heartily approve the object and work of the Southern Council of Churchmen, an agency of the Carnegie Endowment for International Peace.

This organization in Alabama is under the leadership of Dr. John W. Frazer, a member of this Conference. We urge the co-operation of all our ministers and laymen with this agency, the immediate object of which is to acquaint our people with the United Nations Charter and to gain for it their enthusiastic support.

(Signed) Walter D. Agnew, Chairman
Committee on World Peace

A RESOLUTION

Whereas, Brig. Gen. Harry Vaughn, President Truman's military aide, has recently been quoted by the press in statements that very definitely reflect upon the thousands of Protestant Chaplains who have served in World War II; and

Whereas, following the protest of the General Commission on Army and Navy Chaplains, no repudiation of these remarks has been reported from either Brig. Gen. Vaughn or the government;

Therefore Be it Resolved, by the members of the Alabama Conference here assembled:

First, that we vigorously protest the gratuitous slur and calumny contained in the remarks of Brig. Gen. Vaughn and brand these remarks as erroneous and unjust; and

Second, that we call on President Truman to repudiate this unwarranted attack upon the large number of consecrated and efficient Protestant Chaplains serving our armed forces; and

Third, that a copy of this resolution be sent to President Truman, one to the General Commission of Army and Navy Chaplains, and one each to the Christian Advocate and to the Alabama Christian Advocate.

COMMISSION ON TOWN AND COUNTRY CHURCH

Our Quadrennial Program

The Commission shall prepare as early as possible and for distribution a conference map showing every pastoral charge, church, parsonage, district parsonage, Methodist institution, and all important connecting roads along with any other matters that will help us to see our Conference area as a whole.

The Commission shall sponsor and conduct surveys, special studies, and seminars on the town and country church and its ministry.

The Commission shall send, expenses paid, at least one delegate to the annual Jurisdictional Conference on the Town and Country Church.

The Commission shall send, expenses paid, at least one minister serving a rural charge to a Rural Life Training School each year.

The Commission shall send one delegate, at least once in two years with his expenses paid, to the National Rural Life Conference.

The Commission shall sponsor the organization of a Conference Rural Fellowship to be affiliated with the National Methodist Rural Fellowship.

The Commission shall use every means at its disposal to raise the standard of efficiency and effectiveness of the ministry to the small town and country churches in this Conference and to make the rural ministry attractive to able and qualified young men coming into our Conference.

The Commission shall provide for its annual meetings to be held at the time of our Conference Leadership School, or in exceptional cases as the Executive Committee shall direct.

Recommendations

We recommend the adoption in every district of the Group Ministry plan as it is now operating in the Dothan District.

We recommend the holding of Rural Life Conferences on a charge and district basis for the purpose of magnifying the values of rural living and that the Church may be brought to feel more keenly its obligation and its responsibility to the rural situation.

We recommend the adoption of a goal of \$1500 for married men and \$1200 for single men to be the minimum salary standards for this Conference as the funds are available. We strongly urge 100 per cent co-operation and participation in order that it will not be necessary to raise the percentage scale to meet this standard.

We recommend the adoption of a plan for more adequately financing the rural Church.

Requests

We request the Alabama Christian Advocate to arrange with the Commission for some kind of regular coverage of its work.

We request the Bishop to appoint a Conference Executive Secretary of Town and Country Work. His responsibility will be to promote the work of the Commission throughout the Conference. We suggest that this Executive Secretary select a man in each district to work with him as District Secretary of Town and Country Work. We suggest that the Conference Executive Secretary be provided with an expense account, but until ministerial supply conditions improve we do not propose that he give his full time to this work.

We request annually the sum of \$500 from Conference funds for this work.

We request the Board of Missions to make available from its funds sufficient amount to finance a specific rural development project somewhere in the Conference, under the direction of the Bishop, his cabinet and the Commission.

We request the Board of Missions to adopt as a goal the discontinuance of the practice of using mission funds merely as a salary supplement and that this money be used for special missionary projects over the Conference; and that it concur in increasing participation in the Sustentation Fund that all salary supplements can be made from that fund.

We request the District Superintendents to urge full co-operation and participation in the Minimum Salary program by all charges and pastors, and to urge quarterly or semi-annual payments.

We request that the Board of Missions in co-operation with this Commission require all those who receive mission money to submit an annual report of work done and a survey of prospects for another year, and that appropriations after the first year be made on the basis of work done and prospects reported.

J. A. Zellner, Secretary

A RESOLUTION—COLLEGE DAY

Inasmuch as the North Alabama Conference has designated Sunday, September 22, 1946, as College Day, and will observe same throughout the entire Conference, and as the President of Huntingdon College has requested this conference to co-operate in this worthy cause,

Therefore Be it Resolved, that the Commission on World Service and Finance recommends and would request that the Alabama Conference designate Sunday, September 22, 1946, as College Day in this Conference and urge that it be observed on every charge within the bounds of the Conference.

A RESOLUTION—CHURCH FISCAL YEAR

Whereas, there is a feeling on the part of many members of our Conference that it would be well if we adopted a Church Fiscal Year to be followed by each charge in the Conference;

Therefore Be it Resolved, that this Conference adopt as its fiscal year the fiscal year of the Church, namely, from the first of June through the following May 31.

We respectfully request the Presiding Bishop to fix the date of the session of the Alabama Conference either the last week in May or the first week in June.

BOARD OF TEMPERANCE AND SOCIAL SERVICE

While we are aware that the emergencies of war have relaxed our efforts in the supremely important work of Temperance reform, and that the full achievement of our objective: state-wide prohibition, has been frustrated by political elements in our State Legislature, now that the war is ended, it is incumbent upon us that we address ourselves with renewed earnestness and vigor to the worthy and worthwhile objective of driving the obnoxious liquor traffic from our great commonwealth.

Methodist proudly boast of their unflinching support of the temperance cause of their unceasing battle against the liquor traffic. We denounce the political dishonesty which has so long denied Alabama electors their right to determine the liquor question for our state in a state-wide referendum, and we call upon all our Methodist people to vote for Drys only in the 1946 election of a Governor and a Lieutenant-Governor and members of the Legislature, who will provide a state-wide referendum on the liquor question.

We rejoice that one-third of all the counties of the United States are dry by vote of the people; and that fifty of Alabama's sixty-seven counties prohibit the liquor traffic. We are happy to know that two hundred thousand Alabama youths have voluntarily pledged themselves to total abstinence from the beverage use of intoxication liquors.

We approve and applaud the magnificent work of the Alabama Temperance Alliance, and the excellent work of high quality throughout the nation which has so auspiciously begun under the new National Temperance Movement.

We commend the work of the Alabama W. C. T. Union and urge our Christian women to become active members thereof; and we recommend this great organization to the financial support of our churches.

We appreciate the stand and laud the messages which are constantly coming from the pen of a ready writer: the editor of the Alabama Christian Advocate, and urge him to carry on.

We are deeply concerned about the tragic state of delinquency throughout our nation and the world. We believe there is a remedy in Jesus Christ the Righteous. We urge upon our people, both ministers and people, the divine urgency of our common task: the redemption of the world. If we would redeem society the individual must be saved, and if the individual is to be safe society must be redeemed.

We request that Sunday, February 10, 1946, be designated as "Alabama Temperance Day," to be observed appropriately in all Church Schools, and that a special cash offering be taken for the Alabama Temperance Alliance, or that provision be made for it in the Church Budget.

We renew our request of last year, that local church committees on temperance be appointed and that our district superintendent bring the matter to the attention of churches at the first quarterly Conference.

(Signed) W. J. Hughes, Vice-President
J. M. McKinney, Secretary

BOARD OF MISSIONS AND CHURCH EXTENSION— CHURCH EXTENSION SECTION

The affairs of the Church Extension section are in excellent condition. There are no overdue obligations on any loan. The loan of \$800 to Hopewell Church

BOARD OF CHRISTIAN LITERATURE

Believing that our people can continue to grow spiritually only through the constant use of Christian literature, we urge that all homes throughout the Alabama Conference continue to use publications which are approved by the Methodist Church.

Above all other Christian literature comes the Bible. Without a thorough knowledge of this book other literature would be meaningless. May we use it daily as a lamp unto our feet and an inspiration to our hearts. We recommend the reading and study of our fine Methodist publications: The Christian Advocate, the World Outlook, the Upper Room, the Methodist Primer, the Book for Worship for Church and Home, and all our Church School literature, especially for youth in this day of stress, we recommend the youth publications for the Fellowship services. For both youth and age, we urge the use of the Methodist Hymnal in all churches to encourage the love and appreciation of religious music.

There has been a good increase in the circulation of the Alabama Christian Advocate despite difficulties. The average circulation for the year has been 22,300, and the net gain for the quadrennium is over 7,000. The editors have wisely managed the affairs of the Advocate and given us a great paper; not only is it debt free, but has made some investment of savings. In three years the number of churches putting the Advocate in every home has increased from 39 to 211. We shall continue this plan and shall enroll a church on the Century Club Roll as soon as it sends in one hundred subscriptions.

We note with interest that an effort is being made to secure a new location and building for the Alabama Christian Advocate. We highly commend such a move that the dignity of Methodism may be upheld.

We make the following recommendations: 1. That the goal of our Conference be to place the Alabama Christian Advocate in every Methodist Home.

2. We nominate B. F. Marshall to succeed himself as a member of the Board of Directors for a term of five years.

3. We request the appointment of A. E. Middlebrooks as Editor and Business Manager.

(Signed) Cullen B. Wilson, President
C. B. Liddell, Secretary.

BOARD OF RETIRED MINISTERS' HOMES

We feel that Brother Chappelle, our treasurer, has done a fine work during the year in spite of the handicap of illness. We are happy to say that he seems to be on the road to complete recovery. It is the opinion of the Board that the best interests of the Conference will be served by his re-appointment for the coming year.

During the past year, Mrs. Hattie Seay Parrish has given to the Board a nice home located in Clayton as a memorial to her mother, Mrs. Katherine George Seay.

We now own fourteen homes, which are in good repair. The financial condition of the Board is excellent, as will be seen from the report of the Treasurer:

<i>Receipts:</i> Brought Forward from 1944.....	\$29,184.83
Collections	12,252.32
Total	\$41,437.15
<i>Disbursements:</i> Salary.....	\$ 2,400.00

Insurance	248.63
Miscellaneous	410.20

We wish to again urge the ministers to stress the importance of the Mothers' Day collection to this fund.

BIBLE SOCIETY BOARD

Since its founding 129 years ago, the American Bible Society has printed and distributed throughout the world nearly 350,000,000 copies of Scriptures. Last year alone 12,172,134 volumes went out to all parts of the globe. While the Bible, or portions of it, has been translated into 1068 languages and dialects, comprising nine-tenths of the people of the world, the fact remains that only a little over one-tenth of the people of the world actually possess a copy of the Scriptures. Carrying the Gospel of the Lord Jesus Christ to unsaved men around the world is the task of the American Bible Society.

Because the spiritual life of the world is at low ebb the Board requests that ministers call our people to give the Bible its proper place in their lives. Especially do we call attention to the observance of Universal Bible Sunday, December 9th, with an appropriate program. Also we commend the Thanksgiving to Christmas outline of Bible reading as published by the American Bible Society and

urge our people to read daily the suggested readings, which include the favorite and better known passages of Scripture.

(Signed) B. I. Huguen, President
K. E. Scott, Secretary

BOARD OF HOSPITALS AND HOMES

We rejoice in the fine progress at the Methodist Children's Home and ask the continued loyal support from the Churches of the Alabama Conference.

We nominate L. B. Green and Roy O. Hill as directors to succeed themselves for a term of five years.

We recommend April 28 to May 5 as the date for the Golden Cross enrollment in the Alabama Conference. The response to the Golden Cross has been very small this year. We recommend that the income from the enrollment be divided equally between the Hospital at the Methodist Children's Home and the Minnie Starling Clinic at Aldersgate Mission.

We nominate James E. Tate as Conference Director of the Golden Cross and request his appointment by the Bishop.

(Signed) E. A. Childs, Vice-President

BOARD OF EDUCATION

The Methodist Church is composed of a number of component parts with the idea in mind that each part must integrate itself with all the others and

thereby make its largest possible contribution to the whole. This has been the earnest desire of your board during this year. With sincere appreciation of the heavy load which is carried by every pastor, the board has attempted to fit its services to his exact needs and the needs which he has felt his Church suffered. It has not been our object to promote the board, but rather the Kingdom of God through the Churches of the Conference.

Each year of the recent war has brought additional obstacles to the program of Christian service. We have labored under the conviction, however, that we could assist in bringing people to the Saviour of men. We have been strengthened by the confidence, prayers and co-operation of the ministers and laymen of the Conference.

The Local Church—The report of the Executive Secretary reveals outstanding gains and progress in every item. The board wishes to make public recognition of the intelligent and capable leadership of Rev. Charles C. Turner, Jr., Executive Secretary, who has resigned to become a member of the General Board staff. We also express our appreciation for the splendid and excellent leadership of Miss Vera Zimmerman, Director of Children's Work, and of the fine and efficient labors of Miss Mary H. Jones, office secretary.

Particular attention is directed to the Epworth Training Conference and the Leadership School. No area of the Church has been so drastically affected by the recent war effort as has the youth division. Despite tremendous handicaps, the annual Youth Assembly was held at Huntingdon College. The program, which was planned entirely by the youth council, was the finest which has ever been presented in the Assembly. Seventeen young persons answered, for the first time the call to full-time Christian service.

We report another increase both in the number of Christian Workers' Schools and in the number of persons participating: 31 accredited schools, the largest in the board's history. The pastor's school was not held, but plans are in progress for an excellent school in 1946.

For the second consecutive year Bible Conferences have been conducted in the bounds of the Conference, sponsored by the adult division and the General Board. It is an encouraging sign to report that there is an increased interest in the work of the board on the part of pastors and local churches.

Schools and Colleges—Under the administration of Dr. Hubert Searcy, Huntingdon College is showing an unusually good record: Lack of space has made it necessary to turn away many students. For the eighth year it has operated on a balanced budget. There is no debt. We take particular pride in the improvement in the status of Huntingdon College.

Dr. George R. Stuart, Jr., President of Birmingham-Southern College, reports that this institution is showing marked progress, that it is out of debt, and it is emphasizing the matter of training young men for the ministry.

Recommendations—1. That our Church School use exclusively our own literature.

2. That the following special activities be observed: World Service Sunday, March 17, as Church School Rally Day (or April 7); June 16 as Young People's Day; College Student Day; Christian Education Day; Family Week, and Vacation Church Schools. Also Race Relations Day, with the understanding that the proceeds be used for Paine College.

3. We appeal to the local Churches to carry out the Crusade for Christ emphasis in the Church School; want them, get them, keep them, teach them, and win them.

4. That the board and the Conference continue whole-heartedly to support Birmingham-Southern College and Huntingdon College, and assure them our co-operation in thier continued search for funds.

5. That September 22 be observed as College Day in every Church, and a special offering taken to be divided between Birmingham- Southern College and Huntingdon College.

6. That the Board and the Conference extend assurances of interest, faith and co-operation to the Wesley Foundation at Auburn and the University of Alabama in any plans for the promotion of the Foundation's interests at the two centers, both spiritual and financial.

7. That the Board adopt as its fiscal year, November 1st to October 31.

Nominations—R. R. Ellison Vice-President of Huntingdon College. A. E. Barnett, Professor of New Testament Interpretation, Garrett Biblical Institute.

Students—R. C. Howard, Duke University; Daniel Jones, Boston University; B. B. McCurley, Asbury Theological Seminary; H. W. Rice, Jr., Southern Methodist University; Jesse H. Roberts, Garrett Biblical Institute; James Bert Smith, Emory University; Sam Carroll West, Union Theological Seminary; Ray E. Whatley, Emory University.

RESOLUTION OF THANKS

Dr. Charles E. Jefferson has said, "Gratitude is a capacity, and like all capacities it can be expanded; it is a faculty, and like all faculties it can be trained; it is an instinct, and like all instincts it can be developed; it is a plant, and like all plants it can be cultivated; it is a gift, and like all gifts it can be lost."

But we do not propose to lose it when we make known our gratitude for the entertainment we have received from this Church and all the people of Greenville during the session of this Conference.

We are deeply grateful for everything everybody has done and we begin with the pastor of this Church, the Rev. A. S. Turnipseed, and all the committees and members who have spared nothing in behalf of our comfort and pleasure. We remember, too, the people of Greenville of any Church or no Church, who have thrown wide their doors to us.

We thank the President, the secretary and his assistants, the treasurer and his assistants, all boards and committees and the District Superintendents of this Conference for their patient labors in behalf of a successful Conference session.

We thank those who have prepared and served the delightful meals at noon and night, those who have furnished music for the sessions, the speakers who have come to us, the bishops who have assisted the President in his work of holding this Conference, those who have prepared the elements for the Communion, the janitor who has seen to it that we had a comfortable church to meet in, the press for their reports of the Conference to the public; indeed we thank all who have done even the least thing to make the members of this Conference remember this session as they remember their own mother's care.

PLAN FOR MINIMUM SUPPORT FOR PASTORS

The following plan is offered by the Town and Country Church Commission for the operation of the sustentation fund.

Sustentation Fund—Every member under appointment of the Conference is asked, on a voluntary basis, to pay into the fund as follows:

On the first one thousand dollars of salary or fraction thereof	$\frac{1}{2}\%$
On the second one thousand dollars of salary or fraction thereof	1%
On the third one thousand dollars of salary or a fraction thereof	$1\frac{1}{2}\%$
On all over three thousand dollars	2%

Charge Participation—The Commission will send to each possible participant a concise explanation of the Plan, pointing out certain definite requirements that must be met if the minister is to share in the distribution of the Sustentation Fund.

Specification I. Each minister is to present carefully and to explain the Plan to the Board of Stewards of each church on his charge.

Specification II. A questionnaire will be mailed to each prospective participant thirty days before the meeting of the Annual Conference. The minister is requested to answer completely all questions in order that he may share in the distribution of the funds.

Specification III. The amount of distribution to each minister will be determined, in a large part, by the recommendation of the DiDistrict Superintendent, as to the response of the charge commensurate with ability and to diligence of the minister in performing his pastoral responsibilities.

Specification IV. Each Charge is to participate in the raising of this fund on the same basis as its pastor.

Distribution—

Each pastor whose salary plus mission appropriation is less than the minimum goal may be a beneficiary of this fund. To be considered so he must present to the Treasurer of the Sustentation Fund on or before the second day of the Conference session an application on a blank prepared and distributed by the secretary of The Town and Church Commission. This report and application will show first, salaries paid the previous year by the churches of his charge, then salaries paid the current year, then the Mission appropriation received. If the current salary exceeds that of the previous year, he is entitled to a dollar for dollar equivalent for the excess. If the current salary does not exceed that of the previous year, he may state the case fully showing why his charge should receive benefit and why he himself needs benefit. Then the Commission, considering thoroughly each case, shall make its distribution, first matching all increases, then supplementing salaries as the needs and circumstances of each case and as the funds in hand will warrant. Provided, when a pastor cooperates in this and his charge does not he shall be entitled to a 50% share of the increases as far as the funds will warrant.

In every case the pastor's total remuneration is to be limited to the minimum goals set by the Conference. We recommend that the goal be set \$1000 for single man and \$1200 for married man.

The Commission is expected to report its distribution to the Conference, together with a full report from the Treasurer. The expenses of the Treasurer's office are allowed as a charge against the fund.

Payment on the fund should be sent after each Quarterly Conference to Rev. A. B. Carlton, Treasurer, Geneva, Alabama.

REV. CHARLES ANDREW RUSH, D. D.

Charles Andrew: Charles for his grandfather Charles G. Rush, and Andrew for his grandfather Bishop James Osgood Andrew. By thus naming their first son, born to them in Macon County, Alabama, on October 31, 1862, Rev. John Wesley Rush and his wife, Octavia Osgood Andrew, handed down the honored names of their fathers. And right worthily did Charles Andrew carry these honored names, even adding honor to them by his own noble and useful life.

Charles furnishes a typical example of the education of the son of a Methodist Parsonage: years 6 to 8, Marion; years 9 to 12, Barton Academy and Mobile Military Institute. Then, as he could, he pursued his education at Southern University, Greensboro, Ala., receiving his A. B. degree there in 1886, while he was serving his first pastorate. Nor was there lacking the Parsonage Home Curriculum, perhaps even more important than that of the schools; for there were ten children

born into that Parsonage Home,—and no democratic institution on earth can equal the training a child receives in the large family of a Methodist Itinerant. Seven of these children were living when their father died in 1905, and two are still living: Mrs. O. R. Holt, Winter Park, Fla., and Mrs. Estelle R. Lester, Valdosta, Ga.

In May 1885, while Dr. J. W. Rush was Editor of the Alabama Christian Advocate, Charles, who was then a bookkeeper at Pratt Mines, was licensed to preach, and joined the Alabama Conference that fall. His first appointment was Greensboro Mission, for 1886. On January 3, 1887, he married Julia Rosaline Roebuck, of Birmingham, and carried her as a bride to his new assignment, Citronelle. Returned there for the third year he met with an accident early in 1889 which made it necessary for him temporarily to give up preaching. He was Chaplain of Southern University,—which later on honored him and itself by conferring on him the degree of Doctor of Divinity.

He reported again for active work to the Conference of 1890, and from then through the years served it faithfully until he had completed fifty years of service. At the Conference of 1935 he retired, having as his father had done, served fifty years as an active itinerant Methodist preacher. What a contribution to Christ's Church and Kingdom those hundred years made! In the fifty years of his itinerancy, Dr. Charles A. Rush well-nigh covered the Alabama Conference and probably preached in more churches than has any man among us. Multiplied thousands honored and loved him and were blessed by his ministry and life.

Within the years 1888 and 1904 there were born to Dr. and Mrs. Rush four sons and two daughters. All of them are now living, with families and homes of their own. Richard is a physician in San Fernando, Calif.; Charles is in the cotton business in Dothan, Ala.; Mrs. Rosalind R. Davidson and Mrs. Elizabeth R. Denson, wife of Hon. N. D. Denson, live in Opelika, Ala.; John is a lawyer in Jacksonville, Fla.; and James is in the income tax business at Miami, Fla. There are in these homes eighteen grandchildren, and out in California two great grandchildren. Down in Jacksonville, Fla., Dr. Rush has a grandson namesake, Charles Andrew Rush II. Blessings on him and on all these grandchildren and their parents. May each one of this large fine family bring always and only credit and honor to the names of Charles Andrew and Rosaline Roebuck Rush.

Dr. and Mrs. Rush lived in blessed companionship for nearly forty-nine years, until she passed into the heavenly home from the Brundidge Parsonage on Nov. 12, 1935. Ten days later at the Annual Conference Dr. Rush was granted the superannuate relation. For some months he lived with his daughters in Opelika. In July 1936, he moved to Vocation, Ala., into an unfinished residence acquired from the Coley-Blackshear School property. With the energy and enthusiasm of one half his years he gradually made of that house and ten acres of land a place of comfort and beauty. Nearly always there was with him a Sister, or Daughter, or Neice, and always a faithful servant, and always, too, there was warm welcome for the friends who from time to time enjoyed the hospitality and fellowship of that home. For eight years Dr. Rush lived there, winning the love of all his neighbors, both white and negro. Often he would fill appointments or hold meetings for his brother ministers. Frequently he would visit among his children and friends, and every year he would attend the Annual Conference. This writer has known no Alabama Conference member, who for eight years after he retired took such keen and active interest in the work of his Conference and Church.

The Daily Proceedings of the 1938, and last, General Conference of our Southern Church, meeting in Birmingham, contain there interesting paragraphs, as of May 4:

"S.H.C.Burgin (Chairman Committee on Courtesies): Dr. Charles A. Rush, grandson of Bishop Andrew, is in the house—we hope he is—and we would like to present him to the Conference. He has preached fifty years in the Alabama Conference and is now seventy-five years old—active, wide-awake, interesting;

well known to the North Alabama Conference. I think it would be an item of interest to the Conference if he would rise where he is, or come to the platform. We would be happy to have him. (He came to the platform).

" The audience rose and applauded

"Charles A. Rush: When the Conference voted on Unification the other day, I said to someone, I think my grandfather is rejoicing in this—James O. Andrew. He deplored more than any one the original division of the Church. My sister, older than I, had recently been reading grandfather's life, and while she had opposed Unification before, after reading that book again, was heartily in favor of it. God bless you all."

At the Conference meeting at Dauphin Way Church, Mobile, in 1943, Dr. Rush made a very vigorous speech. At the Conference meeting at Dexter Avenue, Montgomery, in 1944, he made another vigorous speech,—just two days before answering the Roll Call up Yonder. Perhaps 'vigorous' characterizes him as no other word. He was a vigorous thinker, a vigorous speaker, a vigorous worker, a vigorous lover. He came very very close to loving God with all his heart and mind and soul and strength and his neighbor as himself.

My own father remarked to me one day when he was nearly eighty that he hoped when his time came to go the Good Father would just let him walk down to the river and step across. God graciously granted his wish. So it was with this eighty-two-year-old man of God. Going with a layman friend to the Conference in Montgomery last November, taking great interest in the proceedings, mingling with brethren and friends, then returning with his friend to his home at Vocation, Thursday afternoon, November 9, sleeping well that night, eating breakfast next morning at the usual time, he went out into the yard to pick up some nuts, came back into the house in a short time, saying that he didn't feel well, lay down on his bed and in a few minutes was gone,—gone to stand before his Lord and hear Him say the blessed "Well Done".

Sunday morning, November 12, short services were held at Vocation, attended by his white and negro neighbors. That afternoon services were held from our Church in Prattville. Brethren of the Conference carried his body to its last resting place beside the bodies of father, mother, wife, and other kindred. Just his body, thank God,—for he himself was already in blessed fellowship in the heavenly home with these and many other loved ones gone before. And,—he'll be looking for us.

REV. THOMAS CYRUS CASADAY, D. D.

Rev. Thomas Cyrus Casaday was born Jan. 6, 1878, near Reeltown in Tallapoosa County, Alabama. On Nov. 28, 1897, he was married to Miss James Bulah Treadwell. He was licensed to preach in the Methodist Protestant Church in 1899. He finished High School and continued his education after he began preaching. He joined the Alabama Conference of the Methodist Protestant Church in 1901 and was ordained an Elder in 1905.

Doctor Casaday was one of the best men I ever knew. For many years he was a leader in the Alabama Conference of the former M. P. Church. He served as

President of that Conference five years. He also served as delegate to the General Conference a number of times and was a member of the Uniting Conference in 1939 and of the First General Conference of The Methodist Church at Atlantic City in 1940. He was Secretary of his Annual Conference fourteen years. Among the many outstanding monuments that will perpetuate his memory is the Beverly Church in Birmingham, which he founded and served as pastor twelve years, and the Capitol Heights Church, in Montgomery, which was built under his leadership, and where he served for eighteen years as pastor and beloved minister to hundreds of people in his morning prayer hour over the radio. Many happy conversions were reported from this radio program. Brother Casaday was perhaps the best known minister in Central Alabama during his pastorate in Montgomery. He ministered to the whole community, and was loved by all who knew him. Little children delighted to see him coming, and the sick and aged felt better after his visits into their homes.

He was an evangelistic preacher. He preached a full gospel and lived a consecrated life. He never comprised with evil. He had the witness of the Spirit and was always found doing something to make others happy. He loved the Lord and served Him too, with his whole heart, soul, mind and spirit. He was devoted to his Church and her program. He never wavered or hesitated when his Church launched a program, for that was his program, too, after the Church had spoken. He was sought after by many pastors as an evangelist. He knew how to conduct a revival and to lead souls to Christ. His home-going has left a lonely place against the sky-line of many souls. Although his tired body sleeps in a grave, his spirit and influence go marching on.

He was a devoted father, a kind husband, a good citizen, a faithful pastor, and a good minister of Jesus Christ. He was true to his friends, loyal to his convictions, and like one of old, "he walked with God." Wherever he lived and labored people of all faiths knew that there had been a prophet among them! "Lord, into Thy gracious keeping leave we now Thy servant sleeping."

He leaves behind to mourn his going, his widow, two sons, W. A., of Montgomery and T. C., Jr., Lieutenant in the A. A. F.; two daughters, Mrs. Walter Lee Darby, of Montgomery and Mrs. Harry Carr, of Birmingham; and five grandchildren. Four brothers also survive him: J. M., G. R., J. W. and C. E. Casaday.

On Dec. 24, 1944, the summons came from the Master whom he had served so well and so long, to come up higher. He was conscious almost to the end, and as "one who wraps the drapery of his couch about him and lies down to pleasant dreams", so he died as he had lived in the glorious triumph of a living faith in God. We know where he is. "There are no winter winds to blight the summer day where he has gone; no evening shadows linger cold and grey, where he has gone".

Memorial services were conducted at Capitol Heights Church, Dec. 25. The whole city seemed to be moved by his passing, and crowds came from all over the city to take a last look at him who had been such a blessing to them in his long pastorate. We laid his body to rest in Elmwood Cemetery, Birmingham, to await the resurrection of the Just.

REV. ALBERT PARKS SEGERS

Albert Parks Segers, the son of James Mason Segers and Sarah Salina Kesler, was born Aug. 1, 1871, in Banks County, Georgia. He pursued his search for

an education through country public schools and High School into several colleges. He received an A. B. degree from Martin Institute, Jefferson, Georgia, the Ph. B. degree from Piedmont College, Demorest, Georgia, the LL. B. degree from the American Extension University and the B. S. degree from Columbia University, New York. Late in life he studied in Emory University. Before entering the ministry, he taught school for several years in Georgia. His own zeal for an education probably led him into the field of Christian Education.

He united with the Methodist Church as a boy of sixteen; and was licensed to preach by the Elberton, Georgia, District Conference in 1895. He was ordained a local deacon in 1902, and served two mission Charges as a supply before joining the South Georgia Conference in 1904. He was admitted into full membership in 1907. After serving in the South Georgia Conference for twenty-one years he transferred in 1925 to the Alabama Conference and became connected with the Downing Industrial Institute, at Brewton. With that school and with Coley-Blackshear School at Vocation, Ala., he was connected directly or indirectly most of his active ministry; and during his days of retirement (after living for several years in the Wild Memorial Home, Fort Deposit) he moved back to Brewton, where he was in the old school atmosphere.

On February 14 (Valentine's Day) 1901, he was married to Miss Sarah Etta Langston; and to them was born one daughter, now Mrs. Lunita S. Hardeman. After his first wife's death, he married Miss Mary E. Williams, on May 31, 1920, who survives him, and who shared with him his desire to promote Christian education through the Church and also through the State school system. He is also survived by two brothers, Tom and Seth Segers, and by three sisters, Miss Lou Segers, Mrs. Nettie McWhorter, and Mrs. Ella Garrison. Brother Segers died July 7, 1945 in Louisville, Georgia.

Brother Seger's largest contribution to the Alabama Conference was probably his effort to keep alive two junior schools in the tragic days when the going was difficult and failure was almost certain. One of those schools had made a large contribution to the young womanhood in South Alabama. It was in spite of and not because of his work that these two schools finally had to close their doors. Brother Segers came to us in the role of an educator, but he spent the last few years of his effective relationship promoting Christian education through the local church.

REV. GRANT GAFFORD

Grant Gafford was born June 8, 1888, at Rutledge, Crenshaw, Ala., the son of S. F. Gafford and George Ann Long. His education was received in the public schools and at the State Normal School, Troy, Ala. He was married Dec. 1, 1912 to Miss Abbie Parker, and this happy union lasted until his untimely passing, July 12, 1945, after several weeks illness. He is survived also by an host of friends whose way on earth has been made smoother and whose burdens were shared by this faithful child of the Father. Funeral services were conducted in the Methodist Church at Greenville, Ala., and interment was in Magnolia Cemetery, there.

Grant united with the church under the ministry of Rev. G. M. Spivey, July 9, 1910, at Black Rock Church on the Rutledge Circuit. His first work away

from home was in a store in Greenville, Ala. After finishing at Troy, he taught school in Butler County for five and one-half years. Heeding the call to preach, he was licensed at Andalusia, Ala., Oct. 25, 1919, and was admitted on trial into the Alabama Conference at Demopolis, Ala., Dec. 3, 1919, and was appointed to the Ponce de Leon Circuit. He was received into full membership and ordained deacon in 1921. During his ministry more than 350 were received into the Church on profession of faith.

This is the statistical record, in brief, of the life of Grant Gafford. But statistics are ever cold and formal, impotent to reveal the warm heart, the earnest spirit, and the consecrated will of any child of God. And since it is so easy to compile high-sounding phrases devoid of real meaning, one hesitates in seeking to express or describe the life of a close, intimate friend And yet, to pause in the midst of pressing duties and responsibilities to reflect upon the life of this man of God and faithful minister of the Gospel of Christ is to feel a warm inner glow of joy and thankfulness at having known him in the inner circle of Christian fellowship. His was a simplicity and sincerity that revealed a heart afire for God and a spirit ever seeking to share itself in humble service. No minister ever carried his people more constantly in his thoughts and prayers, nor could have been more faithful in his devotion to those committed to his pastoral care. He was a true shepherd of the sheep. Scores with whom he walked through the midst of deep shadows and severe trails and tribulations call him blessed and are strengthened in their faith because he shared with them his love for God and unwavering trust in the Heavenly Father. The earth is a happier place for many and heaven an assurance instead of a faint hope because this man labored among them.

REV. JOHN THOMAS CAMERON

John T. Cameron was born in Crenshaw County, Alabama, near Cameron's Chapel Church, April 23, 1891, and died July 16, 1945.

Brother Cameron joined the Cameron's Chapel Methodist Church when he was eleven years old, under the ministry of Rev. R. A. Foster. In 1913 he answered the call to preach and was licensed to preach by the Troy District Conference. He was active in the local ministry under the leadership of the pastor, Rev. J. A. Whitsett. In 1915 he was appointed to supply the Elba Circuit, which he served acceptably, and in the fall of that year was admitted on trial into the Alabama Annual Conference.

On Nov. 25, 1913, Brother Cameron was married to Miss Runie Rebecca Wallis, whom he had known since childhood. To them were born two boys, Charles Wesley and Henry Thomas, and one girl, Mrs. Robert R. Jones. No one loved his children more than did Brother Cameron. He preached three times the day before he died; but would not retire until he had written all of his children. On Monday morning he arose early, planning to visit his daughter-in-law, Mrs. Charles Wesley Cameron, at Camden, Ala., and his sister, Mrs. W. F. Daniel, at Linden. While dressing, the end came.

Physically speaking Brother Cameron was a tall, well proportioned man. He was energetic. He used his surplus energy growing gardens, fishing and hunting. He always had a large garden and was never known to sell any vegetables, as long as he could divide with his neighbors. He was an excellent fisherman, and was never happier than when his friends would gather about his table and help enjoy the fish he had caught. He was indeed a sociable personage, always carrying his part in any conversation.

As a minister of the Gospel he was an excellent preacher. As Paul exhorted Timothy, he studied to show himself "approved unto God a workman who needed not be ashamed, rightly dividing the word of truth". I have heard him preach when the whole congregation would be moved to a deeper consecration. He had a vision of God, and proclaimed His eternal word until God said "It is enough, come up higher". He was always a very acceptable pastor of the flock. He gave special attention to the sick and to the down-and-outs. I believe he was one of the best nurses I ever knew. He would sit up with the sick for days at a time, getting only a few hours sleep.

Brother Comeron was always sweet spirited. He served some of the hardest charges in the Alabama Conference, but was never known to murmur or complain. After he had served Fort Davis-Fitzpatrick charge for two years, he told me that he felt like he was ready for another hard charge, and was sent to Repton at that Conference. He seemed to be happy as a man could be, for it was only a short distance to Frisco City, where he had spent seven happy years. He was loved by all the people in that part of the Conference, regardless of their affiliation. His work there will yield fruit in years to come.

We pray God's richest blessings upon Mrs. Cameron and her children. As a conference we deeply appreciate the work and ministry of this Godly man, we shall miss him, but it will not be long before we meet again in the land of the unsetting sun. His body rests in Repton cemetery. We have said good-night here, but it will be good-morning up there.

*DIVISION VII — REPORTS**BOARD OF EDUCATION — REPORT NO. 1*

We recommend that the Alabama Conference unite with the North Alabama Conference in promoting a Joint Campaign to raise \$2,500,000 for Birmingham-Southern and Howard Colleges, to be shared equally by the two schools. The subscriptions to be payable within a period of three years.

That Dr. George R. Stuart, President of Birmingham-Southern College, and the Board of Trustees of Birmingham-Southern select the personnel for a steering Committee for the Joint Campaign for the two colleges.

That the Boards of Trustees of Birmingham-Southern and Howard file applications with the various foundations for grants to be applied on the \$2,-500,000.

(Signed) W. F. Calhoun, President
 C. M. Ellisor, Secretary

BOARD OF EDUCATION—REPORT NO. 2

Whereas, the people of the Alabama Conference are being called upon to promote and observe an increasing number of special days and programs; and

Whereas, in the past there has been conflict and overlapping of these efforts, with the result that some important interests of our Church have been neglected, and our people have grown weary of the incessant appeals, and, in some instances, have been disinclined to support the program of the Church;

Therefore be it resolved that there be authorized the formation of an Inter-Board Council composed of the Presidents and one elected representative from each of the following Boards or bodies: Education, Evangelism, Lay Activities, Temperance and Social Service, Hospitals and Homes, Missions and Church Extension, the Commission on Town and Country Church, the Commission on World Service and Finance, The Woman's Society of Christian Service, the President of the Conference Youth Fellowship, and the Executive Secretary of the Board of Education, for the purpose of formulating a Conference Calendar embracing

the activities of all boards, which with the approval of the Bishop and the Cabinet, will be presented as the official Conference Calendar.

Be it further resolved that copies of this calendar be printed and sent to each pastor and Church School Superintendent and other leaders in each local church with instructions that it be explained to each congregation.

Be it further resolved that this council, acting in behalf of the Conference, shall be authorized to investigate the possibilities for a suitable camp site within the bounds of the Alabama Conference for use as a Conference Assembly and report to the next Annual Conference session.

Be it further resolved that this council shall represent the Alabama Conference in matters relative to the Seashore Camp Ground at Biloxi, Miss., owned jointly by the Alabama, Louisiana and Mississippi Annual Conferences, except that it shall not have power to obligate the Conference financially.

(Signed) W. F. Calhoun, President
C. M. Ellisor, Secretary.

BOARD OF EDUCATION—REPORT NO. 3

From the beginning of Methodism, Christian Education has been one of the chief concerns of our Church. Every activity of your board is guided by the compulsion of the high mission of Kingdom Building which Christ committed to His Church.

The Local Church—There have been 178 Vacation Schools held this year; this is 38 more than last year. Two courses for Children's Workers were offered in the Leadership School and a conference-wide meeting for Children's Workers was held at Huntingdon College, August 27-29.

The program of Youth Work has been directed toward four major goals: to enlist Youth in our training and enrichment program; to provide more trained and equipped Adult Workers with youth; to hold before our Youth the larger relationships which they sustain to youth throughout the Church and the world; to present the call of God and the Church to Youth for a complete dedication of their lives to full time Christian Service.

About 1150 Young People and their Adult Leaders have been reached in our training program through the Youth Assembly and various conferences and camps. The 1946 Assembly, with 439 registered delegates, was the largest in the history of the Conference. Ten Training Conferences and ten Camps were held during the year, reaching every district. Twelve of our Youth attended the Leadership Conference at Lake Junaluska, and twelve others attended the National Convocation, at Grand Rapids, Mich. A total of \$2,138.68 was contributed to the Methodist Youth Fund this year. Thirty-seven Young People dedicated themselves to full-time service at the close of the Assembly and the number has increased during the succeeding months.

The Executive Secretary has counselled and planned with adult groups in several sections of the Conference. Our training program this year has gone beyond anything reported in past years, with 42 Christian Workers Schools held: an increase of 15 over last year. Church School Rally Day has been observed in practically half of the Schools in the Conference.

It is our firm conviction that our Methodist literature is unexcelled by that produced by any other publishing house. The General Board reports another great gain in the circulation of our Church School literature.

Educational Institutions—Huntingdon College under the presidency of Dr. Hubert Searcy, and Birmingham-Southern College, under the presidency of Dr. George R. Stuart, are enjoying most successful years. With 685 students enrolled, Huntingdon has the largest enrollment in its history. The schools are operating on balanced budgets, and without indebtedness. A new dormitory is in process of construction at Huntingdon.

Plans are being made through the Wesley Foundation, to more adequately meet the needs of the two thousand Methodist students attending Alabama Polytechnic Institute at Auburn.

Recommendations—1. That our pastors and Church School Superintendents promote the use of our Church School literature in all our Churches.

2. That we observe the following special days in every local Church: World Service Sunday, Methodist Student Day, Student Recognition Day, Christian Education Week, Family Week, Race Relations Day (Feb. 9, 1947), with an offering for Paine College, and hold a Vacation Church School.

3. That Church School Day be observed March 16, 1947, and Young People's Day, June 15, 1947.

4. That every local Church in our Conference co-operate fully in the Stewardship emphasis of the Crusade for Christ, in co-operation with the W. S. C. S and the Board of Lay Activities toward achievement of the goals set up by the Crusade Council; that we make the best use of materials provided and have a Training Course on The Stewardship of Life in every charge, and if possible in every Church.

5. That the Alabama Conference continue whole-hearted co-operation with Huntingdon and Birmingham-Southern Colleges in their search for funds.

6. That College Day be observed throughout the Conference, on a date agreed on by the presidents of our two colleges, with an offering to be sent to the Conference Treasurer to be divided equally between the two schools.

The Lay Leaders in the several districts raised \$377.50 in support of the Southwide radio hour. Our people are urged to make use of this valuable radio program.

The Board takes great pride in the effort to liquidate the hospital debt, contributing a sum equal to 75 per cent of the Conference benevolences for this purpose, and we join with all churchmen in the hope that this debt will soon be met to the satisfaction of those who have claims against the Church.

The outstanding challenge to all Methodist people for the present quadrennium is the Crusade for Christ. The Crusade for Christ has set aside the year 1947 for emphasis on Stewardship. With the adoption of this report there is a solemn pledge to give the Stewardship phase of the Crusade the same spirit of co-operation that has characterized our participation in the other emphases of the Crusade.

It is recommended that the time from the adjournment of this Annual Conference until January first be used as a period of preparation, to include District and Sub-district meetings in every district, the reading by pastors, District Superintendents and Lay leaders of the recommended books on Stewardship.

For the period of intensive work beginning January first, it is recommended that special attention be given to the following features:

1. That all pastors devote January and February to preaching the Gospel and the doctrines of Stewardship.
2. That all Church School leaders use the lesson materials on Stewardship to the best advantage.
3. That where bulletins are used, as far as possible, the bulletins made available by the Crusade be utilized.
4. That the idea of conversation groups in our homes be promoted.
5. That wherever possible use be made of kodachrome slides.
6. It is strongly recommended that the covenant cards not be presented until the ground work of education has been thoroughly completed.
7. It is recommended that the people be challenged to sign the covenant in accordance with their own consciences.
8. It is recommended that the giving of our people be turned through the proper authorities to the great needs confronting the world-wide ministry of the Church, looking to increased benevolent acceptances in the local Churches, larger salaries for preachers and specials in the mission fields of the Church.

For nominations for District and Associate District Lay Leaders, see Division

II.

The District Superintendent of each district and the Conference Lay Leader shall have the authority to fill any vacancy in the offices of District Lay Leaders and Associates during the year.

BOARD OF EVANGELISM

The Board rejoices with the Conference over the good results obtained during the year of Evangelism and recognizes the need of the continuation of this program. We make the following recommendations:

1. That District Schools of Evangelism be held simultaneously in every district of the Conference beginning Feb. 2, 1947. The Montgomery District School to be held January 19, 1947.
2. The District Superintendent shall select the place for the school.
3. The host Church or city shall be required: (1) To make a religious survey, and to have prospect cards prepared before the opening of the school. (2) To invite outlying charges within a radius of thirty miles to make a religious survey and to be ready to receive the benefits of the visitation. (3) To provide lunch for the school Monday through Thursday, and entertainment for out-of-town guests as may be necessary. (4) To provide a meeting place for the school.
4. The School shall begin, if possible, on Sunday with a mass meeting in the afternoon and an evangelistic preaching service in the evening. The following daily schedule is suggested: Monday morning and afternoon given to instructions and inspirational addresses; the evening to visitation. Tuesday and Wednesday mornings to instruction and inspirational addresses; the afternoon and evening to visitation. The afternoon may be given to visitation in rural areas and evening in towns.
5. The pastor is urged to attend and, as far as possible, bring at least one man from each Church on his charge. If possible add a youth member from each charge.
6. After the school, and before Easter, if possible, each pastor shall organize each Church in his charge for a visitation evangelism campaign. He shall form children's membership classes in all his Churches or Church Schools. Bishop Harrell's Membership Manual for Children will be furnished to any pastor who will write to the Board of Education for them. Pastors are urged to use the visitation method in all his revivals, whether in spring or summer.
7. The purpose of the schools is to glorify the Gospel message, to awaken evangelistic zeal, and to make visitation evangelism an established and accepted method among our people.
8. At least one period during each school shall be given to a consideration of how to bring new members into the life and work of the Church and to hold them.
9. The district shall assume no expense other than for entertainment and other items as indicated above.

Let us not be satisfied with the past year's achievements. We are stewards of the Gospel. Let us be faithful to this sacred trust. "It is not by might nor by power but by my spirit saith the Lord."

BOARD OF MISSIONS AND CHURCH EXTENSION*Mission Section*

Very encouraging progress has been reported in Conference Mission work. For the second consecutive year a majority of the charges have accepted an increase for Benevolences: many charges have paid an appreciable surplus on these increased acceptances. More than half of the projects assisted by the Board this year have so happily developed as to become entirely self-supporting or to greatly decrease the need for future assistance. Of the twenty-six projects approved for the coming year, several have good promise of becoming self-supporting in one or two years.

A reasonable emergency fund has been accumulated during the past four years. We urge your hearty co-operation in enlarging and maintaining this fund for lean years or larger opportunities. The General Board is generously co-operating in the development of projects in strategic centers.

In the light of information concerning the effort to build a University Church on the campus of the University of Havana, Cuba, and of the assured influence of this church on the future leadership and spirit of evangelical Christianity throughout the whole Republic of Cuba, we heartily commend the program and plans of our Bishop to secure funds for the successful building of this great church, and we urge hearty co-operation throughout our Conference.

We ask the re-appointment of E. A. Childs as Conference Missionary Secretary.

COMMITTEE ON WORLD PEACE

Whereas, many hundreds of men who were conscientious objectors to the bearing of arms in World War II still languish in prison in the United States, and

Whereas, Japanese-Americans and others who were interned during World War II on suspicion of sabotage or espionage have been released and have returned to their homes, and

Whereas, the interests of peace, justice, democracy and Christian good-will dictate every measure that will aid in healing the wounds of war,

Therefore, be it resolved, that this Conference earnestly requests and urges that the President and Congress of the United States take steps to effectuate a general amnesty for conscientious objectors at the earliest possible moment, that these persons may return to the constructive pursuits of peace and to the families and communities where they are sorely needed.

Be it further resolved, that a copy of this resolution be sent to the President of the United States and to the two Alabama Senators and the Congressmen of the Alabama Conference Area.

(Signed) Norman McLeod, Acting Chairman
Welton Gregory, Secretary.

BOARD OF HOSPITALS AND HOMES

We commend the excellent work of Mr. Virgil McCain and his entire staff in the progress they have made and the good care they have taken of our children at the Methodist Children's Home at Selma. We nominate J. E. Wilkinson, Sr., and A. S. Turnipseed, to succeed themselves as directors for a term of five years. We nominate Mrs. W. T. Morgan to succeed Mrs. E. H. Hobbs, resigned, as a director for a term of three years.

We recommend the organization of local Golden Cross Chapters, as authorized by the Discipline, where the services of such an organization are needed, and recommend the week of April 21-27 as the date for Golden Cross enrollment in these charges. We nominate James E. Tate as Conference Director of the Golden Cross.

(Signed) O. D. Langston, President,
H. E. Wilson, Jr., Secretary.

A RESOLUTION

Whereas, there is an immediate and pressing need for a greatly enlarged seating capacity in the Auburn Methodist Church to accommodate a phenomenal increase in the Methodist Student group at A. P. I.; and

Whereas, added classroom space must be provided at once to make provision for enlarged college Sunday School classes; and

Whereas, these emergency needs can be met in the immediate future only by enlarging the balcony of the church auditorium and excavating the basement of the church to provide needed classrooms, the minimum cost to be around \$15,000;

Therefore, be it resolved, that the Alabama Conference in session in Mobile, Nov. 13-17, 1946, hereby approves the selection of a Sunday to be designated as "Auburn Wesley Foundation Day," on which an offering will be taken in all the charges of the Alabama Conference, the proceeds to be turned over to the Auburn Methodist Church to help defray the cost of this emergency expansion program; provided, that the special day selected for the offering shall not conflict with any day selected for any other connectional Church interest.

(Signed) T. P. Chalker, Pastor,
Auburn Methodist Church.

C. C. Daniel, D. S.
Montgomery District.

I. S. McAdory, Lay Delegate,
Auburn Methodist Church.

BOARD OF RETIRED MINISTERS' HOMES

We feel that the work has prospered during the year; \$12,706.84 has been collected by Brother Chappelle and we now have in the treasury \$40,658.81. Improvements on the two homes in Montgomery left by Brother Sanders have amounted to \$2,223.13. They will soon be ready for occupancy. Another home was left during the year by a good lady.

We still think it unwise to attempt to build or buy at this time. Under normal conditions, the funds on hand would buy or build nine or ten homes.

Although he was in the hospital for a number of months the first of the year, Brother Chappelle has done a fine year's work and we request the Bishop to reappoint him.

We call attention to the importance of the Mother's Day collection, which goes to this fund.

E. R. Malone

COMMISSION ON HOSPITAL DEBT

Your Commission is very gratified over the progress made in the pursuit of the declared purpose of the Alabama Conference to "fulfill all that honor and Christian ethics require in the matter of the old hospital indebtedness, floating and bonded."

The creditors' expressions of appreciation of the efforts of the Conference to do all that it can toward the satisfaction of every creditor are all very heartening. Time and again your Executive Committee in its contacts with the creditors have heard such expressions as this: "We appreciate very deeply the effort on the part of the Alabama Conference to meet these obligations as far as it is able, without any legal compulsion, but altogether on a moral basis."

The receipts from the observance of Honor Day, as ordered by the called session of the Conference, and from other sources are \$28,559.32.

The Executive Committee in regular meeting ordered C. C. Daniel, Secretary of the Executive Committee, to make contact with all known and discoverable creditors to receive from them a proposal of what they consider a complete and final satisfaction of their accounts. In these proposals, salary creditors proposed payment in full. Open accounts in most cases, proposed fifty per cent, and judgment creditors, thirty-three and one-third per cent.

You will be interested to know that several creditors declared that they were already satisfied, that they did not desire any money return.

Out of the above receipts of \$28,559.32, the following payments have been made:

G. S. Elliott, by special order of Executive Committee	500.00

The total expenditures as indicated above are \$10,295.23, and the balance now remaining in the emergency fund is \$18,264.09.

Some of our people from a number of our churches have written urging that we should never be content to pay less than 100 per cent on this hospital obligation, and the Commission has appreciated the feeling of these brethren. We have thought that wherever there be charges in our Conference that have such feeling they should be given the privilege of making a 100 per-

cent payment. We have felt that they could do so and satisfy their conscience by paying their pro rata share of the total obligation, and that their share of this obligation could be fairly arrived at by breaking down the total hospital obligation on the basis of the benevolent acceptance of the several charges of the Conference. The Executive Committee, therefore, requested Rev. Frank G. Hastings, Chairman of the Commission on World Service and Finance, and Rev. W. H. Venters, Conference Treasurer, to break down the total hospital obligations as indicated above, which has been done. Thus any Church desiring to know what its share of the total hospital obligation should be may find out either from the Conference Treasurer, or from C. C. Daniel, Secretary of the Executive Committee.

Thanking the people of the several charges of the Conference for their faithfulness in observing Honor Day within this Conference year, and hoping that a similar generosity and faithfulness may be exercised in the observance of this day during the next Conference year, we submit our report.

(Signed) W. S. Guice, Chairman
C. C. Daniel, Secretary.

COMMISSION ON TOWN AND COUNTY CHURCH

We respectfully renew our request to the Board of Missions for an appropriation of \$500 to carry on our work for 1947.

We respectfully request Bishop Harrell to reappoint James A. Zellner to serve as Executive Secretary for the 1947 Conference year.

We request the Board of Missions and Church Extension to further pursue its policy of discontinuing as rapidly as possible the practice of granting Mission funds to supplement salaries and to divert these funds into such channels as will build up weak charges that have prospects for development, develop new churches where they are needed, and accomplish other types of definite mission work.

We renew our request or suggestion that the Board of Missions require pastors and other workers receiving mission monies to submit at the end of each year a report of the work done and a survey of the possibilities for another year and that the appropriations for the projects after the first year be made on the basis of the work done and the prospects for another year as set forth in these reports thus assuring all that these funds are being used for worth while mission projects.

We wish to thank Bishop Harrell and the District Superintendents for their support and co-operation with our program.

PROPOSED AMENDMENTS TO STANDING RULES

1. Amend Rule 9 as follows: Strike out the words: "is directed to include two thousand dollars," and insert the words: "shall report to the Conference annually what is considered a reasonable amount," so that this portion of the rule shall read: "The Commission on World Service and Finance shall report to the Conference annually what is considered a reasonable amount to be included in the Annual Conference Budget Askings," the rest of the paragraph to remain unchanged.

2. Eliminate Rule 20, since the constitution of the Board of Evangelism is specified in the Discipline, Par. 1559.

3. Amend Rule 26, by striking out the words "two-thirds," and substituting "majority." This sentence will then read, "These Standing Rules may be, by a majority vote, amended on the next day after an amendment has been presented in writing."

BOARD OF CHRISTIAN LITERATURE

Methodism can rise no higher than the home life of her people. No home can be what it should be without Christian Literature. Today, more than ever before, it is necessary for us to provide the best of literature because there are so many agencies which are spreading among our people literature that is not only mediocre, but in many cases immoral, irreligious, and degrading.

Realizing that a thorough knowledge of the Bible is essential to an appreciation of all other Christian literature, we call upon our people to give a more serious study to the Holy Scriptures. It is also urged that Universal Bible Sunday be observed in every church, December 8.

We are happy to learn of the continued success of the Methodist Publishing House. We mention with appreciation the check for \$4,332 12 received from the profits of the House for the Conference Claimants of the Alabama Conference.

With a feeling of deep concern we heard the report from The Christian Advocate that 84 charges in this Conference had no subscriptions to the general organ of the Church. This failure must be erased if Alabama Methodism is to be progressive. We set as a minimum goal at least two subscriptions from every charge in the Alabama Conference.

For information and inspiration, we recommend our Methodist publications: The Upper Room, The Methodist Primer, The World Outlook, New Life, and all our splendid Church School literature. We especially call attention to *The Pastor*, a publication which will soon carry a series of articles on "Making Methodism Methodist." The material for these articles will be contributed by five members of the Alabama Conference.

The Board expresses appreciation to the editors of The Alabama Christian Advocate for a timely and most inspiring paper. We believe *The Advocate* is unsurpassed by any other Conference organ or denominational publication of similar nature. Through its wise management it has reached a new high of 28,000 in circulation, a net increase of 5,000 during the year. At present 318 churches are putting *The Advocate* in every Methodist home as compared with 211 last year. A schedule of increased subscription rates is effective January 1, 1947.

Concerning the Alabama Christian Advocate we make the following recommendations: 1. That the goal of placing the Alabama Christian Advocate in every Methodist home be continued.

2. We nominate C. A. May for Director for a term of five years. We sincerely appreciate the splendid service rendered by Judge T. D. Samford for more than forty years.

3. We request the appointment of A. E. Middlebrooks as Editor and Business Manager.

BIBLE SOCIETY BOARD

For one hundred and thirty years the American Bible Society has been the official agency of the Churches for the translation, publication and distribution of the Word of God. Each December officially appointed representatives of some forty denominations meet with the Society to hear its reports and survey its budget for the coming year. During 1945 alone the Society distributed 12,243,353 volumes of the Scriptures.

Therefore, be it resolved that:

1. The Alabama Conference commend the American Bible Society for its accomplishments in supplying the Armed Forces during the war period with 458,060,284 Gospels and other portions.

2. That each Church set aside Sunday, December 8, 1946, or some other suitable day, on which the place of the Bible is really emphasized.

3. That the Churches encourage their members to join in the daily reading of the passages between Thanksgiving and Christmas, selected this year on the general theme, "The Word of Power for a Power Age," as made available in suitable form by the American Bible Society.

4. That hereafter the Bible Society Board be combined with the Board of Christian Literature.

K. E. Scott, Secretary.

BOARD OF TEMPERANCE AND SOCIAL SERVICE

"Wine is a mocker, strong drink is raging, and whosoever is deceived thereby is not wise."

These words were spoken three thousand years ago by a man of great wisdom, but they are nonetheless true in our day.

It is a sad day for the individual citizen, as well as for the nation, when this deceptive enemy of mankind (the liquor traffic) lays its unhallowed hands upon our people or any other people. We deplore the fact that the sponsors of the liquor traffic have been able to again entrench this abominable traffic in some of the counties of our fair state, but we rejoice that other counties have maintained their dry status.

We believe that the expert and highly attractive advertising of the liquor industry by means of radio, bill board and press is a major menace to the cause of temperance throughout the nation.

We are ashamed that this nation with its place in the forefront among the nations in the matters of economic and political import should stoop so low as to allocate to the liquor industry for the manufacture of beverage alcohol in one half year enough grain and sugar to feed forty-five millions of the world's starving peoples.

We note with regret that Governor-elect James E. Folsom has declared his intentions of legalizing the juke box and placing keg beer in the taverns or road houses throughout the State. We decry such policy and urge our people and the good people of other Churches throughout the State, for the sake of common decency and the well-being of society, to petition Mr. Folsom to desist from the use of said policy.

We rejoice that through Alcoholics Anonymous the derelicts of alcoholism may find hope of ofttimes redemption from the curse of the drink habit. We commend this organization and pledge to it our co-operation where needed.

We approve and applaud the excellent work of the Alabama Temperance Alliance and the W. C. T. U., and pledge them our support.

We commend our Church publications for their uncompromising condemnation of the liquor traffic, and urge them to carry on.

We are convinced that the only safe and sure solution of the alcohol problem is education. We therefore urge the importance of teaching temperance in our homes, our Churches, and our public schools.

We renew our request of last year, that local Church committees on temperance be appointed and that our District Superintendents bring the matter to the attention of Churches at the first Quarterly conference.

RESOLUTION OF THANKS

The most beautiful 'thank-you' letter ever written came from Paul and was sent to the Philippians by Epaphroditus, who had come to Rome with a 'missionary box,' money and gifts, from the members of the Church at Philippi as an expression of their affection for the Apostle and to provide for his needs. In grateful acknowledgement of their thoughtful kindness and love the letter to the Philippians was written.

On his second missionary journey, Paul, with Silas, Timothy and Luke, and in response to the call of the man of Macedonia, had established this first Christian Church in Europe.

We are on our second visit to this Church in recent years. This year and in 1943 the invitation to the Conference was extended by the same pastor. Usually the entertainment of an annual conference one time finishes that pastor for life and that church for a decade or more. But here we are again and we are deeply grateful to you. Indeed our gratitude is boundless when we think of the many blessings showered upon up at this session of the Conference. To each and all, we give our hearty thanks.

And in the word of Paul to the Philippians, we say, "The peace of God, which passeth all understanding, shall keep your hearts and minds in Christ Jesus."

DIVISION VIII—MEMOIRS

THE REV. CHARLES ALBERT CORNELL

The Rev. Charles Albert Cornell was born December 9, 1864, at Hudson Fall, New York, and died at Panama City, Florida, November 21, 1945. He was buried in Selma, Alabama, November 23, 1945.

He was married to Miss Annie Scurry, of Selma, Alabama, December 12, 1882, who died in 1942. Of the six children born to them, four died when young. One son, Charles V., of Birmingham, Alabama, and one daughter, Mrs. Florence Hill, of Panama City, Florida, survive him.

He was licensed to preach at Selma, Alabama, in 1887 and joined the Alabama Conference at the session of 1890 at Pensacola, Florida. His was a long happy and useful life: fifty-eight years a Methodist preacher and fifty-five years a member of an Annual Conference! "After serving well his day and generation, by the allowable will of God, he fell asleep." Truly he thus served in his day and generation and now he sleeps well.

In many respects he was the most unique character I have known. He had a brilliant mind and was a natural student and the range of his knowledge was wide. He delved into all stratas of learning. The sciences were his hobby; theology was his life study. He was discriminating in his literary tastes, poetic to a marked degree and psychic to the extent of being uncanny. A seer in the highest sense of the word. When asked how he knew some of the things he fore-saw and told me, he would say "I do not know". Too, he was no mean poet: some of his poetry ranks high when measured by the best critics. He had quite a bit of his verse printed, but more was written for his own satisfaction. All of this entered into and assisted him in his sermonizing—for he was above all else, a preacher. He used his study to marshal his thought forces and plan his attack and the pulpit was his arena of action, where with the skill of an experienced gladiator he wielded the sword of argument coupled with apt illustration and persuasive power that was convincing and helped to decisions.

Before he began preaching he was a finished mechanic, and the same degree of efficiency which he had attained as a locomotive mechanic, or 'Link Man', while working for the Southern Railway, out of Selma, entered into his method of sermonizing. He never quit sermonizing, but to the last, even at 81 years of age, as a Supply Pastor in Panama City, he was doing what to him had been his chief joy for so long. In his preaching he was rich in illustration and best of all they always illustrated. He was, at times, the most gifted person in prayer that I've ever heard. One of our bishops, after hearing him pray when he was at his best, said to me, "I had rather be that gifted in prayer than to be known as a great preacher."

He was a soulful man: no other word expresses just what I have in mind. His soul influence kindled influences for good in yours and he could no more be separated from it than a shadow can be separated from the object which produces it.

He was a good man: his goodness was the real thing. It fitted him like a well-tailored garment and it made people trust him and love him. It might probably be said that his crowning grace was goodness. He was naturally a timid man, but the Gospel to him was so clear a call to arms against all that was evil, it made him bold to fight wrong wherever it showed its head, but he always loved the wrongdoer. To all evil he had an 'unconsenting conscience,' and while he was tolerant instead of arrogant in his approach, he was at the same time uncompromising when an issue had to be met.

He had a most wholesome sense of humor, and his hilarious nature was a tonic and as contagious as the most infectious disease. He literally laughed his way through life and carried scores of people along the journey through the sloughs of despond and the low-lands of despair to the heights of hope and happiness. Hope was his bosom companion and they talked much along the way. "I hope therefore I toil", was one of his slogans.

He served with efficiency, fidelity and distinction the whole gamut of appointments from mission all the way to some of our large stations and three times as presiding elder. He knew no appointment above the other save as one gave him a larger opportunity for service. He has told me that he was never happier than in his first appointment which had fourteen preaching places and paid him less than three hundred dollars.

His home life was most happy. As a husband he was tender, patient, loving and true. As a father, no one could 'out-do' him. As a friend, he met every test that I have ever dreamed about in that relationship, for I am sure that he would have died, if need be, for a friend.

As a Christian, he was just as solicitous, even in his last days, about the Church and the unsaved as he had always been. I have never gotten over the pleading that was in his voice as he said to me after the last time he heard me preach, "Ed, after that sermon you should have made a call for penitents to surrender to the Saviour". It hurts yet that I didn't.

All in all I shall not see his like again, and as the little girl said, when she heard about the death of Dr. Phillips Brooks, "I think the angels will like Dr. Brooks," so say I about Brother Cornell, "I think the angels will like Brother Cornell."

Sweet be thy sleep on the banks of the Alabama as it softly sings itself to the sea. After awhile it will be morning!

THE REV. JOHN DAVID KERSH

John David Kersh was born near Centerville, in Bibb County, Alabama, December 30, 1857, the son of William Leonard and Eliza Jones Kersh. He united with the Methodist Church at Sandy Chapel on the Randolph Circuit at the age of fourteen, and received his education in the Bibb County schools and at the old Southern University, Greensboro, Alabama, where he completed the Junior year.

He was licensed to preach at Hamburg, Alabama, in 1882. He taught for several years before receiving his first appointment in 1885. He was admitted on trial in the Alabama Conference in 1884, ordained Deacon in 1886, and Elder in 1888. His first assignment was Calhoun Mission for 1885. During his fifty years of active ministry he served twenty different appointments. He was in the active itinerancy longer than any man in the Conference at the time of his death at the age of eighty-eight, on February 22, 1946.

John D. Kersh was married twice, to Miss Allie Yarbrough in 1886 and to Miss Annie Cross in 1901. To the first union were born six children: Allene, Frank Eugene, Luther Clifford, Henry Leonard, John Frazer and Horace Lanford; the second marriage issued in four children: Claude Farrior, Lilla Bess, Martha Helen and Lilyon. The widow and nine children survive his death. His years of retirement after 1935 were spent near Troy. Five of the children and Mrs. Kersh now reside in Montgomery, Alabama.

John Kersh was a hero of the hard places. He spent most of his time in uncomplaining devotion and service in modest circuit and small station pastorates; but he gathered a thrilling harvest of souls to present before his King. During his long ministry he received on profession of faith alone a total of 1,098 new members for the kingdom of God and the Church of Christ. What a mighty host to rise up in the last day and declare that the witness of John David Kersh was faithful and true! What a crown of glory from so many stars! What a diadem of beauty from so many precious jewels! What a mighty treasure laid up in heaven!

John Kersh was a faithful and devoted husband and a tender and affectionate father. Those of us who knew him over the years can never forget the gentle radiance of his face and the warmth of his smile. He had a spirit of brotherliness and Christ-like humility which was rare indeed. One of the saints of God has gone from us. The inspiration of his fidelity and his patient and uncomplaining service in the face of difficulty and disappointment lingers with us and lights our pathway toward the perfect day.

"Mark the perfect man, and behold the upright, for the end of that man is peace."

THE REV. WILLIAM HENRY NEWTON

Rev. William Henry Newton was born January 3, 1866 and passed away February 24, 1946. He was converted in early life and began preaching when he was eighteen years of age. He was admitted on trial in 1884 by the Alabama Conference of the Methodist Episcopal Church. He was ordained a Deacon in 1887 and an Elder in 1889. He did three years of Home Mission work in Geneva County, Alabama and in West Florida. He attended and completed the theological course at the U. S. Grant University, located at Athens, Tennessee (Now, Chattanooga University). He served various charges in the Alabama Conference prior to 1897, when he united with the Congregational Church.

He was re-admitted by the Alabama Conference, from the Congregational Church, in 1910 and served sometime as professor in Mallalieu Seminary at Kinsey, Alabama.

In 1913 he transferred to the Holston Conference (M. E. Church) where he served six charges and was on the supernumerary roll for several years. In 1927 he transferred back to the Alabama Conference and served until his retirement in 1931. After his retirement he was useful in many church activities, especially as teacher of the Adult Bible Class in his home Church at Kinsey.

He was married to Miss Helen Burdeshaw, May 30, 1889, who with their three sons, Olin, Chester and Dan, and their two daughters, Mrs. C. D. Hornsby and Mrs. T. C. Smith, survive him. He and his wife lived together fifty-seven years in beautiful, lovely fellowship.

He was an earnest scholar and possessed sound scholarship. He was of steady, solid piety, a man of serious mind and stainless character, and of definite and settled convictions. He lived among a people who had known him all their lifetime. When the Churches united to form the Methodist Church, his lot fell to the Alabama Conference so that he died in a conference of the same name as that which he joined.

I have been associated with him on many occasions and in series of services and enjoyed the hospitality of his home and always found him the same thoughtful, courteous, Christian gentleman. He came of a family noted for deep piety and to him religion was a matter of real personal experience. Funeral services were conducted at his home Church, where he had so long attended worship and his body was laid to rest among old friends, comrades and kindred of the yester years. We shall see him again when the shadows have passed.

THE REV. CHARLES WESLEY BRADLEY

On September 15, 1874, in Georgiana, Alabama, in the home of Austin and Sarah Watson Bradley was born their twelfth child, whom they named Charles Wesley. Whether named for the great hymn writer or not, he lived worthily of the name.

Being the youngest of twelve children and having to care for his aged father and mother, he was denied the privilege of attending college, but received his education in the public schools of Butler County and in the school of experience. He read much all his life. When quite a young boy he gave his heart to God and joined the Congregational Church. In 1906 he was licensed to preach and for five years served Churches in South Alabama as a supply preacher. In 1910 he was admitted into the Alabama Conference of the Methodist Episcopal Church, South, in session at Troy, Alabama.

On November 18, 1899, he was married to Miss Annie Rebecca Majors, and to this union were born seven children, who have gone out into the world to bless the name of their saintly father. One son is a member of the Alabama

Conference. The others are taking their places in the work of the Church where they live. He was a patient father and a faithful husband who loved his home and family. Those who came into this home were aware of the fact that Jesus dwelt there.

I can but feel that God could and did say of Brother Bradley, as He said of Job, "A good and just man". He lived a consistent Christian life, giving his all in the service of the Master. He was unselfish and sacrificing, thinking only of others and willing to deny self in order to do for his family and those about him. The writer was with him on many occasions and always found him to be sweet tempered, kind and lovable. His sermons were always gospel messages of the type that appealed to all who heard. He was a father to the young and a brother to those of his age. He was quiet and meek in spirit, but a rock in Christian character.

Thirty-two years of his life were spent in the Alabama Conference, serving faithfully every charge to which he was sent. At the session of the Conference held in Mobile in 1943 he was retired from the roll of active ministers in the Conference but not from active service in the Church. The last years of his life were spent in Fort Deposit preaching when called upon by his brethern. He taught a Sunday School class and was always ready to do what ever he was called upon to do. To show their love and esteem for him, the Methodists of Fort Deposit, before his death, had decided to call their Church the Bradley Memorial.

On Sunday before he went away on Monday, March 11, he preached twice with great fervor and earnestness from the text, "Fear ye not, the Lord will fight for you, Go forward." These words are found in the fourteenth chapter of Exodus. God was with him as he preached these last two sermons, urging the people to go forward in the Crusade for Christ. Those who heard him said they had never heard him preach with such power and zeal as at that time. He urged the Church to go forward, leading the people to Christ and out of bondage, as Moses led the Children of Israel out of Egypt.

Monday morning he was up early, as was his custom, ate breakfast and went for the mail. He worked a few minutes in his garden, returned to the house to lie down and in the presence of his loving wife, the angels and God, he heard the summons, "It is finished, come up higher". He had walked with God through the years and he is not for God took him. The next day, amid great banks of flowers and a concourse of friends, the funeral service was held in The Methodist Church in Fort Deposit and his body laid to rest in the cemetery there, but his soul is now with God. His body has gone back to the dust whence it came, while his spirit basks in the sunshine of the heavenly home. We would say to his bereaved loved ones that his light has not gone out, but it has been transferred to the windows of heaven, there to light their pathway to this eternal home.

A STATEMENT OF FACT—MONTGOMERY MEMORIAL HOSPITAL

"In obedience to the mandate of the Alabama Conference, contained in a resolution duly adopted November 17, 1945 at Greenville, Alabama, your Commission on Hospital Debt, as constituted by order of the same resolution, submits to the Conference in called session its report and recommendations. Our report is as follows:

Prompted by the desire to extend the influence and ministry of the Church through the operation of a hospital, the General Hospital Board, Methodist Episcopal Church, South, in 1923 acquired for a nominal consideration certain properties in Montgomery then being developed for operation by the city of Montgomery as the Montgomery Memorial Hospital. In 1926 title to the hospital property was transferred to the Board of Trustees of the Montgomery Memorial Hospital of Montgomery, Alabama, Inc., which Board had been created by joint action of the Alabama and North Alabama Conferences. It had become apparent to the leaders in this undertaking that the facilities were inadequate, and, in order to improve and expand the work of the hospital, bonds were issued in 1928 against the hospital property in the sum of \$550,000. Out of proceeds received from the sale of these bonds certain outstanding indebtedness was liquidated, the plant was considerably enlarged, new equipment was installed, and we looked forward to years of Christ-like service in the ministry of healing.

A plan and effort such as this to extend the ministry of the Church into new fields of service deserves, in the judgment of your Commission, highest commendation. No Church can fulfill its divine commission unless it is ready to dare and undertake. Most of the daring enterprises of the Church have been successful, but the Church, as other institutions, has had her casualties. The Montgomery Memorial Hospital is one of them. For years we of the Alabama Conference have been embarrassed by the fact that in spite of our noble intentions the hospital failed financially. Perhaps we were inexperienced in hospital administration. Perhaps we extended free service to the needy beyond our ability. When the depression of 1929 came as a thief in the night the Montgomery Memorial Hospital suffered the fate of many business and philanthropic institutions. In June 1931 the hospital was closed. The long and costly efforts of Methodists in Alabama and West Florida to establish an institution of healing should be recognized as a worthy Christian enterprise, nobly conceived, but unhappily ended on account of financial difficulties. The Church and Conference lost all the gifts that our people had put into it, and we in no way profited by the noble experiment except for the spiritual satisfaction that comes from attempting to minister to man in Christ's name.

When the doors of the Montgomery Memorial Hospital were closed and the institution ceased to operate, the indebtedness, current and bonded, (including certain administrative and court expenses later incurred) approximated \$643,371.68. The records of this period, available to your Commission, were incomplete. The grand total of indebtedness is variable on account of expense in liquidation and interest accruing on certain current loans. The figure above given is, according to our best knowledge, approximately correct.

Following many efforts to find a better solution, and failing in all of them, the properties of the hospital were sold and the net proceeds paid to the bondholders. Each bondholder's share in the net proceeds was \$339.40 on the principal of each bond of the par value of \$1000, which is slightly more than one-third of the face value of each bond. Funds raised by a special campaign and through the regular channels of the Church have been used further to reduce the hospital indebtedness, the same have been employed to offset the hospital's current or floating indebtedness as distinguished from bonded indebtedness.

The question of the validity of the action of the Alabama Conference by which it presumed to guarantee "the punctual payment in full of the principal and the interest thereon" of the hospital bonds came for decision before the Supreme Court of Alabama. The Court ruled that in this action the Alabama Conference exceeded the rights granted it under its charter, and that the guaranty was null and void. It is distinctly declared and understood by the Alabama Conference that in nothing said or implied in this report, and that in no action taken by this Conference, does the Alabama Conference assume legal responsibility for payment of the hospital bonds in full or in part. We consider that matter a closed chapter. We accept the decision of the Court as final. The Conference in the present consideration addresses itself only to the moral questions involved, and especially to what may be done freely and voluntarily by the Methodist people of Alabama and West Florida to remedy a situation that to us is very distressing.

In the decision of the Alabama Supreme Court, above referred to, the Court adds: "There can be no doubt that the Phoenix City Conference, by the adoption of the resolutions considered, by an almost unanimous vote of 143 to 2, gave its approval and moral support to the endorsement of the bonds and greatly enhanced the selling price of the same, but we are constrained to consider and decide this case from a legal and not a moral standpoint."

In accord with the Court's suggestion, we recognize a moral obligation. We, as a part of the universal Church of Christ, are committed to an ethic more commanding than any legal compulsion. To confess it in words and deny it in deed would be hypocrisy. Honor does not take refuge behind legal technicalities. It is a cause of rejoicing that the Alabama Conference at its last session expressed its "sincere desire to fulfill all that honor and Christian ethics require in this unhappy affair." Nothing more could be asked. Nothing less should be done.

Though the action of the Alabama Conference by which the Conference guaranteed the payment of the hospital bonds was an illegal action, it did carry with it certain in-escapable moral considera-

tions. Most of the investors were individuals, some of them investing in these bonds the savings of a life-time. Among the institutions purchasing hospital bonds were the Executive Committee Foreign Missions, Southern Presbyterian Church, \$10,000; George Peabody College for Teachers, Nashville, \$50,000; Christ Protestant Episcopal Church, Mobile, \$10,000; The Protestant Home for the Aged, Mobile, Ala., \$1,000; Touro Infirmary, New Orleans, \$6,000; Missouri State Life Insurance Company, \$100,000; Gilmore Sanatorium, Amory, Mississippi, \$5,000.

These words of assurance and guarantee are stamped on the face of every hospital bond:

"These bonds are guaranteed unconditionally as to principal and interest by the Alabama Conference of the Methodist Episcopal Church, South."

On the face of each hospital bond by consent of the Alabama Conference is printed the following words, afterwards declared by the Court to be without authority in the decision above referred to:

" ' "Whereas the Annual Alabama Conference of the Methodist Episcopal Church, South, in regular Annual Conference assembled at Phenix City, Alabama, on November 21, 1928, did pass a resolution authorizing the execution of this guaranty;

" ' "Now, therefore, for value received, and in consideration of the purchase of the within bond by the holder thereof, the Annual Alabama Conference of the Methodist Episcopal Church, South, hereby guarantees to the holder, or, if registered, to the registered owner thereof, the punctual payment in full of the principal of the within bond and the interest thereon, at the time and in the manner specified therein, and according to the tenor of the several coupons belonging thereto.

" ' "Annual Alabama Conference of the Methodist Episcopal Church, South

" ' "By A. J. Lamar,
" ' "Its Secretary." ' "

These statements were honestly and openly made at a time when none could foresee the involvements and difficulties ahead. The fact remains, however, that they were made with the consent of the Alabama Conference.

The unpaid balance on the principal of the hospital bonds is at present \$363,330. The remaining outstanding current indebtedness, according to accounts in our hands, is \$23,076.63, making the grand total, present hospital indebtedness \$386,406.63. No interest has been figured in any of these calculations. Neither does this grand total

take into account the balance remaining on the indebtedness to Marx and Company, Birmingham. As authorized by the Conference, regular payments are being made on this balance out of regular Conference funds.

These are the facts as we find them. We are convinced that the Methodist people within the bounds of the Alabama Conference stand ready to face them and, to the best of their ability, find a just and equitable solution. Already we have delayed too long. We are deeply cognizant of the fact that at present we have no appreciable assests in hand with which to retire the hospital indebtedness, but we are convinced that our Methodist people will according to proven loyalty respond to any appeal for this cause that the Conference may make."

Rev. R. J. Haskew moved that report No. 1 as read be received and filed in the records of this Conference as historical information. The motion was duly seconded and unanimously adopted.

Dr. C. M. Dannelly read Report No. 2 of the Commission, as follows:

RECOMMENDATIONS

"We recommend the following procedure for laying the Montgomery Memorial Hospital matter on the conscience of Methodist people, it being distinctly understood that in so doing the Alabama Conference assumes no legal obligation for the payment of the hospital bonds or any hospital debt, in full or in part.

1. The Commission on Hospital Debt or its Executive Committee, if so ordered by the Commission, is directed to communicate with each of the holders of Hospital bonds who can be located, asking each for what amount he is willing to make final adjustment and settlement. The method of approach to these bondholders is left to the discretion and decision of the Commission or its Executive Committee, as the case may be.

2. The Commission on Hospital Debt is instructed to have the STATEMENT OF FACT, as received by the Conference, printed in sufficient quantities for distribution among our people. Upon request from our Pastors or District Superintendents the Commission shall furnish to each copies of the same in such numbers as may be requested.

3. Sunday, February 17, 1946, is named as Honor Sunday. On that day, each pastor shall present to his congregation an explanation of the hospital indebtedness, and of our moral obligation, and he shall receive a cash offering for the same. In charges of more than one Church the period may be extended as far into March as is necessary. It is suggested that in each instance the printed report be distributed beforehand and that possibly a letter be issued to the

congregation, in order that the people may be prepared to contribute when the appeal is made.

4. Each district Superintendent shall associate with him two other persons, and as many more as he may desire. These shall be the District Hospital Debt Committee. It shall be their especial duty to present this cause to persons capable of making larger contributions, and to use all laudable means to lay our moral obligation on the consciences of all our people.

5. The 1946 regular session of the Alabama Conference is requested to instruct the several District Superintendents of the Conference on their First Round, 1946-1947 Conference year, to ask at the Quarterly Conference on each charge the following questions: (1) Will this charge participate this year by voluntary contribution to the Montgomery Memorial Hospital Honor Fund? (2) Will the contribution be placed in the budget or will it be raised by the observance of Honor Day? (3) If placed in the budget, what amount? Each succeeding session of the Alabama Conference is requested to take like action until such time as the Conference judges such action to be no longer necessary.

6. Funds received in local Churches or elsewhere for the hospital debt shall be remitted immediately to W. H. Venters, Treasurer, Opelika, Alabama, properly designated, and the same shall be disbursed by the Executive Committee, Commission on Hospital Debt, as provided in a resolution adopted by the Alabama Conference, Greenville, Alabama, November 17, 1945. To this Executive Committee is committed the power to make adjustment and final settlement with each creditor, individually and severally, as their wisdom and judgment may dictate, and within the limitation of the funds at their disposal. In each instance the Executive Committee shall make clear to the creditor that the payment is not made in recognition of a legal obligation, but of a moral obligation only, and that said payment is made out of the sincere desire of our Methodist people to fulfill as best they are able their moral responsibility.

7. It is distinctly understood and provided that no quotas or apportionments shall, under this authorization, be assessed against any Church or Charge in the Conference, contributions for this cause being altogether of a voluntary nature. It is also understood and provided that no person shall receive any salary or honoraria for service rendered in this effort except for clerical help, and that the Commission shall render to each regular session of the Alabama Conference an account of its receipts and disbursements for the year preceding."

Dr. Dannelly moved the adoption of the report, and the motion was duly seconded. Dr. N. B. McLeod moved that the report be amended so that the name of each member of the Commission on Hospital Debt shall appear on this report. The motion was seconded.

Dr. D. P. Slaughter moved as a substitute for the amendment that the President and Secretary of the Commission on Hospital Debt sign the report instead of all the members of the Commission. The substitute motion was seconded.

Attention was called to the following facts: That the report was unanimously approved by the Commission in session; that not all members of the Commission were able to attend the meeting of the Commission; and that the time required to secure the signatures of all members of the Commission would delay the matter beyond the day set for Honor Sunday.

By voice vote the substitute was substituted for the amendment; and was then adopted as an amendment to the report.

With privilege consent, Bishop Harrell addressed the Conference expressing his joy and appreciation of the willing mind of the Conference in this matter. He asked every member of the Conference to come to the chancel and give to the Conference Treasurer a cash contribution to this fund. The amount of \$1,308.00 was contributed.

By a unanimous vote the Conference adopted Report No. 2 of the Commission.

Dr. C. M. Dannelly moved that the Executive Committee of the Commission on Hospital Debt be empowered to edit the report and turn it over to the Secretary of the Conference. The motion was adopted.

Resolution—Dr. D. P. Slaughter presented the report of the special committee on Resolutions on the death of Bishop Decell, as follows:

THE MUTUAL AID SOCIETY

Constitution

ARTICLE I—The Mutual Aid Society of the Alabama Conference exists for the purpose of affording relief to the families of its deceased members, and to its retired members as far as possible.

ARTICLE II—Any effective member, either on trial or in full membership, of any Annual Conference of the Methodist Church, within the age limits set forth in the By-laws of the Society, is eligible for membership in this Society, if he is in good health.

ARTICLE III—Class A of this Society shall be composed of the entire membership of the Society who are in good standing.

Class B of this Society shall be composed of those members of Class A who desire to extend the benefits of the Society by paying additional dues and assessments for the benefit of those who are of like mind.

The method of operation shall be the same in each of the two classes, but the funds of each class shall be used only for the benefit of the members of each respective class.

ARTICLE IV—Upon the death of a member in either class, each surviving member in that class shall pay to the treasurer, for the benefit of the family of the deceased member, the sum of Five Dollars (\$5.00), provided that not more than three such assessments may be collected in either class in any one year.

In the event there are more than three deaths in either class in any one year, the treasurer shall collect, before the meeting of the Board of Directors, from each surviving member in that class, three mortuary assessments of Five Dollars (\$5.00) each. He shall add to the sum thus collected all reserve funds in the treasury of said class, and then divided the total thus obtained among the claimants of that class, equally, thus making a full settlement with each; *provided*, however, that no claimant shall receive a sum exceeding five Dollars (\$5.00) from each surviving member in that class.

Retired members who have traveled and have been members of the Society for not less than ten consecutive years prior to making application for it, may have collected for them a retired claim of Three Dollars (\$3.00) for each surviving member in either class of the Society, provided that no more than three claims, either mortuary or retired, shall be collected from any member in any one year, and provided that mortuary claims shall have precedence. Retired claims shall be paid on basis of priority of membership in each class.

ARTICLE V—The membership fees and the annual dues in each class shall be set aside as a reserve fund for that class. The dues collected in any year shall not be used to pay claims for that year. This reserve fund shall be deposited with some safe interest-paying institution at the best available rate. The reserve fund shall be only used to pay mortuary claims in excess of the three in any year and for secretary expense.

ARTICLE VI—The officers of the Society shall be a President, a Vice-President, and a Secretary-Treasurer, who shall be elected by ballot once in four years by a majority vote of the members of the Society present and voting at the annual meeting of the Society.

The Presidents shall appoint each year following the reading of the appointments in the Alabama Conference one director for the Society from each district in the Conference, and these together with the officers of the Society shall constitute the Board of Directors of the Society.

ARTICLE VII—This Constitution may be amended by a two-thirds vote of the members of the Society present and voting at any meeting, provided that notice of any proposed change shall be submitted to every member of the Society prior to the annual meeting.
